

## WORKS NOTIFICATION

### SERVICE RELOCATIONS, PARKVILLE 29 NOVEMBER TO LATE DECEMBER 2017

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

#### What we are doing

- Hauling new power cables through Parkville, requiring access to pits and excavation in footpaths
- Excavations on the west side of Royal Parade and the east side of Elizabeth Street
- Accessing pits in footpaths on Royal Parade and Elizabeth Street
- Accessing a pit in the Royal Parade southbound service lanes.

#### What to be aware of

- Royal Parade southbound service lanes will be closed between 10am and 10pm. There will be a low level of noise associated with these works
- Pedestrian diversions will be in place on the footpaths on the west side of Royal Parade and both sides of Elizabeth Street

- A limited number of parking spaces on Royal Parade will be occupied during the works
- Access to private properties and businesses will be maintained
- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic. Please refer to signage in the area
- Excavations in the footpaths will generate medium-high levels of noise
- Cable hauling works in existing pits will generate a low level of noise
- There is no planned disruption to essential services.

#### When

- 29 November to late December 2017
- 7am - 6pm, Monday to Friday
- 7am - 1pm Saturdays

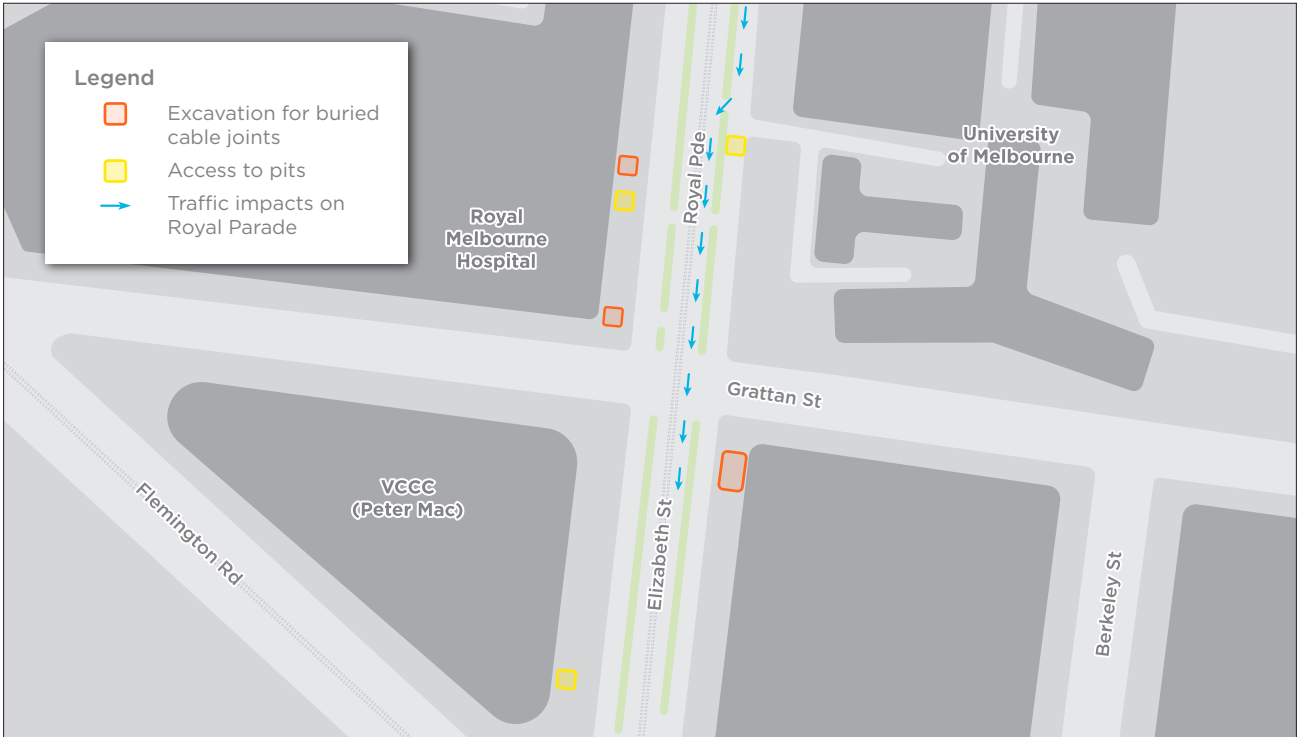

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will notify residents and businesses if there are any significant changes to the program.
