

## WORKS NOTIFICATION

### BUILDING DEMOLITION 3 - 5 CHAMBERS STREET WEDNESDAY 4 APRIL - SATURDAY 5 MAY 2018

Works in preparation for major construction of the Metro Tunnel are continuing in South Yarra.

#### What we are doing

To prepare for the construction of the eastern tunnel entrance in 2019, we will be commencing demolition of the acquired property at 3 - 5 Chambers Street, South Yarra.

This property was acquired by the Melbourne Metro Rail Authority in 2017 to enable the installation of a new retaining wall along the rail corridor to support the tunnel entrance, and to provide access for construction traffic between William Street and Chambers Street, with the aim of minimising disruption to parking on local streets.

Demolition works will commence from Wednesday 4 April and are expected to be completed by Saturday 5 May 2018.

Demolition works will include:

- Removal of existing shrubs and vegetation
- Installing fencing around the property at 3 - 5 Chambers Street
- Demolishing the building using a small excavator
- Loading building materials into bin trucks to be carried away from the site

- Removing hazardous materials from the building in line with safe handling and disposal guidelines, using licensed removalists.

#### What to be aware of

- Kerbside car parks directly in front of 3 - 5 Chambers Street will be occupied for the duration of demolition works, for the purpose of loading trucks with building material to be removed from site
- These works are expected to generate medium-high levels of noise. Impacts from noise and dust will be managed in accordance with the Metro Tunnel's Environmental Performance Requirements
- The footpath in front of 3 - 5 Chambers Street will be closed to pedestrians. Please use the alternate footpath on Chambers Street
- Lovers Walk will be closed for 1 day during the demolition. Dates and times will be confirmed in further update. This is to ensure the safety of pedestrians and the general public.

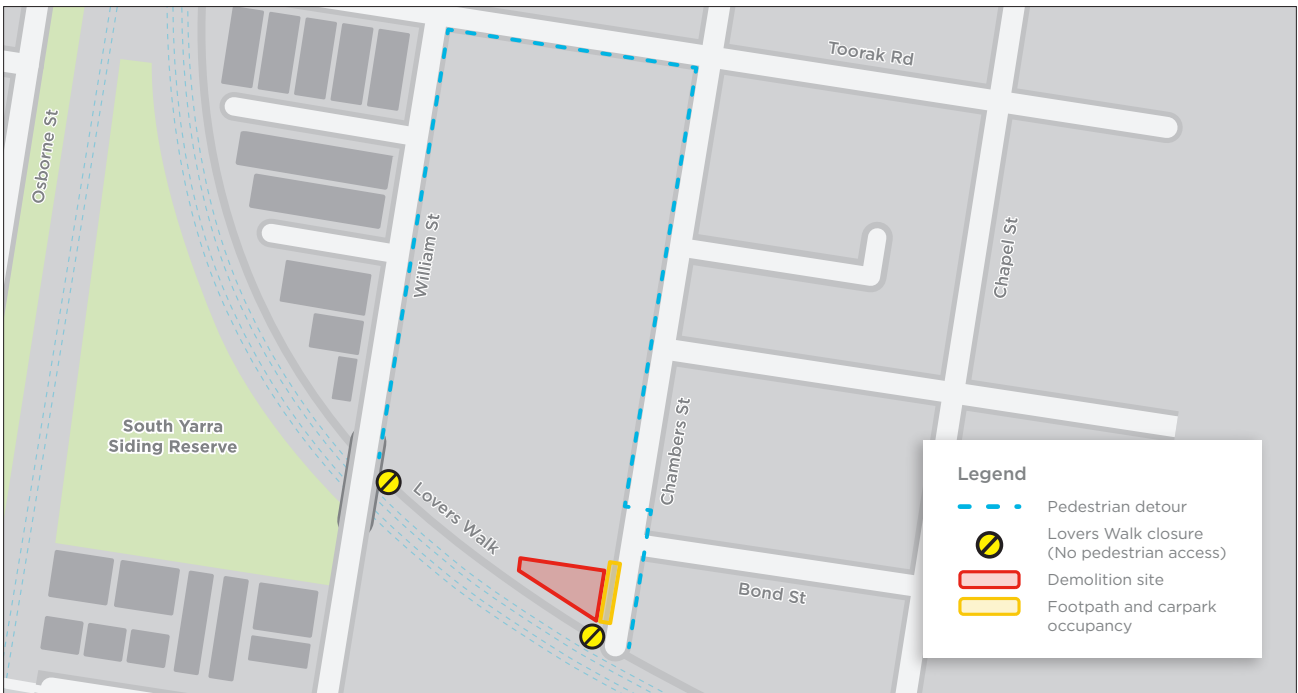

#### When

- 7am - 6pm, Monday to Friday
- 7am - 1pm, Saturdays
- We will notify residents if there are any significant changes to the program.
