

## WORKS NOTIFICATION

### SERVICE RELOCATIONS, PARKVILLE 17 JULY 2017

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

#### What we are doing

##### Service relocations - day works

- Works are continuing within University of Melbourne land along Grattan Street and will extend east of Kernot Road to install new services including water, telecommunications and power
- Installing a section of the sewer main on Royal Parade, using a surface launched drilling rig to bore a path beneath the surface between an entry and exit.

##### Service relocations - night works

- Construction of a new sewer pit on Grattan Street, at the intersection of Royal Parade
- Installing the pit and connecting the new sewer main during night works following installation of the main. We will provide further notice prior to this second stage of night works.

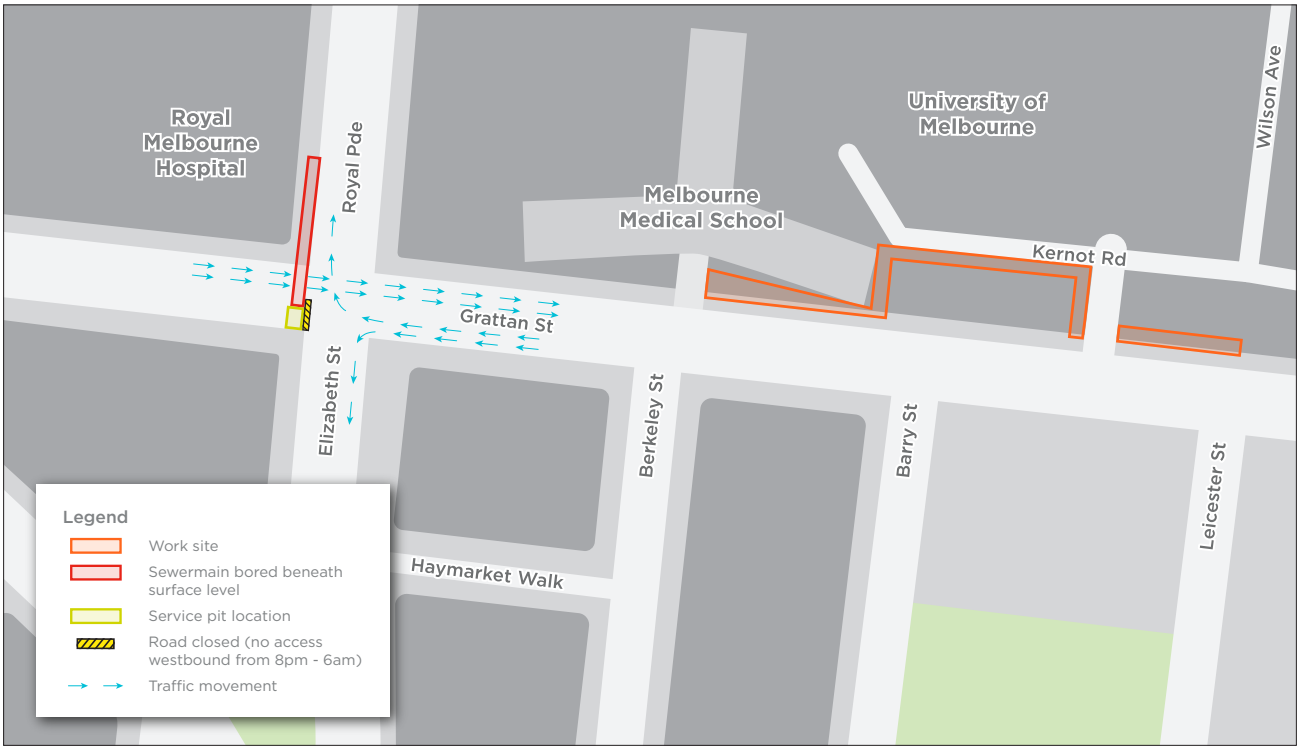

#### What to be aware of

- Westbound lanes will be closed on Grattan Street (between Royal Parade and Flemington Road) between 8pm - 6am for construction of the sewer pit, with detours in place
- There will be some temporary pedestrian diversions required
- Access to private properties and businesses will be maintained at all times
- Temporary fencing will be erected around the work sites to ensure the safety of the community and workers
- There will be some noise associated with this activity
- We will make every effort to complete all noisy activities early in the evening to minimise disruption during night works
- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic. Please refer to signage in the area
- There is no planned disruption to essential services.

Indicative only

## When

### Day works

- From Monday 17 July 2017, until mid-August
- 7am - 6pm, Monday to Friday
- 7am - 1pm, Saturdays.

### Night works

- From Sunday 23 July 2017, until Monday 7 August
- 6pm - 6am, Monday to Sunday
- A notification will be provided prior to the next stage of night works.

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will notify residents and businesses if there are any significant changes to the program.
