

WORKS NOTIFICATION

SERVICE RELOCATION, PARKVILLE 27 MARCH 2017 – MID MAY

As you may be aware, works for the Metro Tunnel project are now underway with some minor activities taking place ahead of the start of major construction.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

What we are doing

- Installing new telecommunication man holes and conduits on Royal Parade and Elizabeth Street, across Grattan Street
- Moving existing telecommunication services into new conduits.

What to be aware of

- Man holes will be constructed on Royal Parade and Elizabeth Street
- The conduits will be installed by open cut trenching, consisting of excavating a trench and manually installing each piece of pipe, backfilling and reinstating the area
- There will be a southbound lane closure on Royal Parade and Elizabeth Street, across Grattan Street as works progress. Please refer to signage in the area

- Access along Grattan Street across Royal Parade will be maintained
- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic
- We will need to temporarily occupy a limited number of parking spaces, and impact the bicycle lane, on Elizabeth Street as the works progress
- There will be some noise associated with this activity
- Access to private properties and businesses will be maintained at all times
- There may be some temporary pedestrian diversions
- There is no planned disruption to essential services
- These works (known as 'enabling works') have been granted the relevant planning permits to proceed

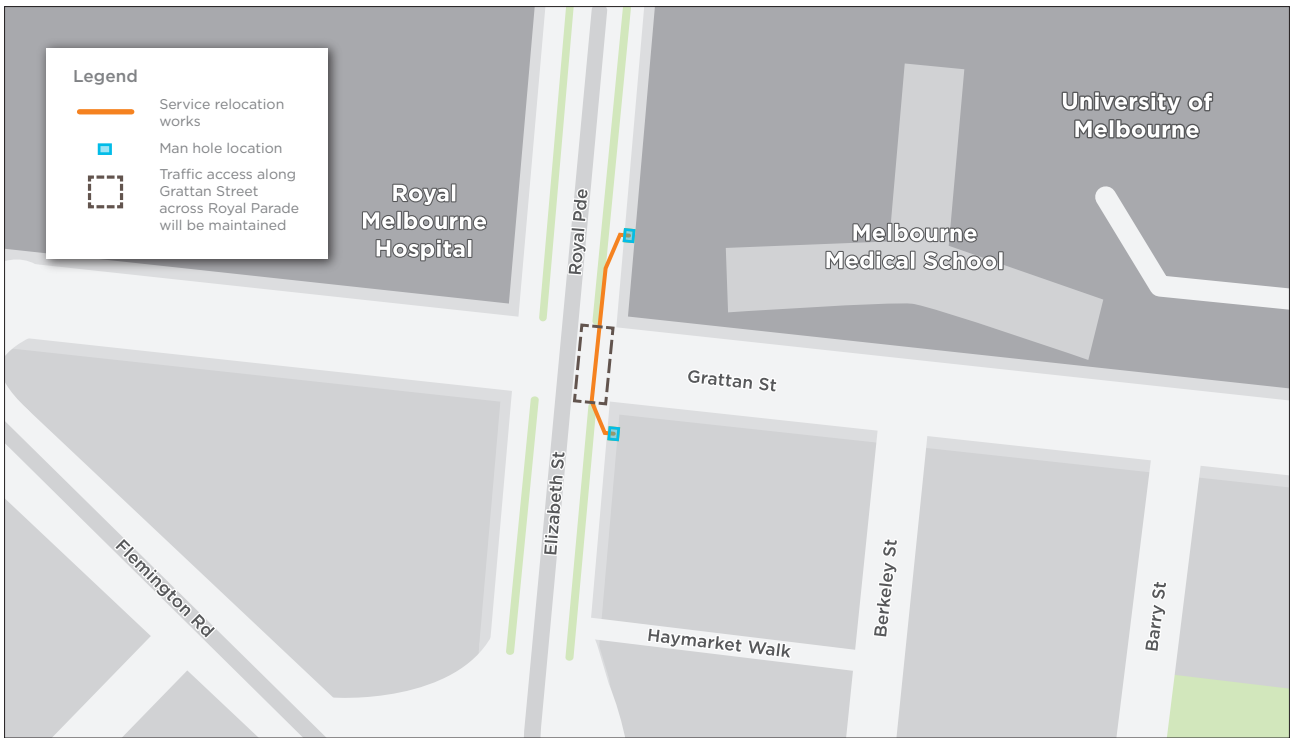

When

- From Monday 27 March 2017, until mid-May
- Timing is staged as works progress from one location to the next. Work on the man holes will form the first stage.
- 7am – 6pm, Monday to Friday
- 7am – 1pm, Saturday.
- Service relocations across Grattan Street will occur out of hours with additional traffic management. Further information will be provided ahead of these works occurring.
