

WORKS NOTIFICATION UPDATE

SERVICE INVESTIGATION WORKS AND TELSTRA SERVICE RELOCATION, DOMAIN

11 MAY - 9 JUNE 2017

Works in preparation for major construction of the Metro Tunnel are continuing in the Domain precinct with the relocation of utility services underway, and service investigations continuing ahead of upcoming works.

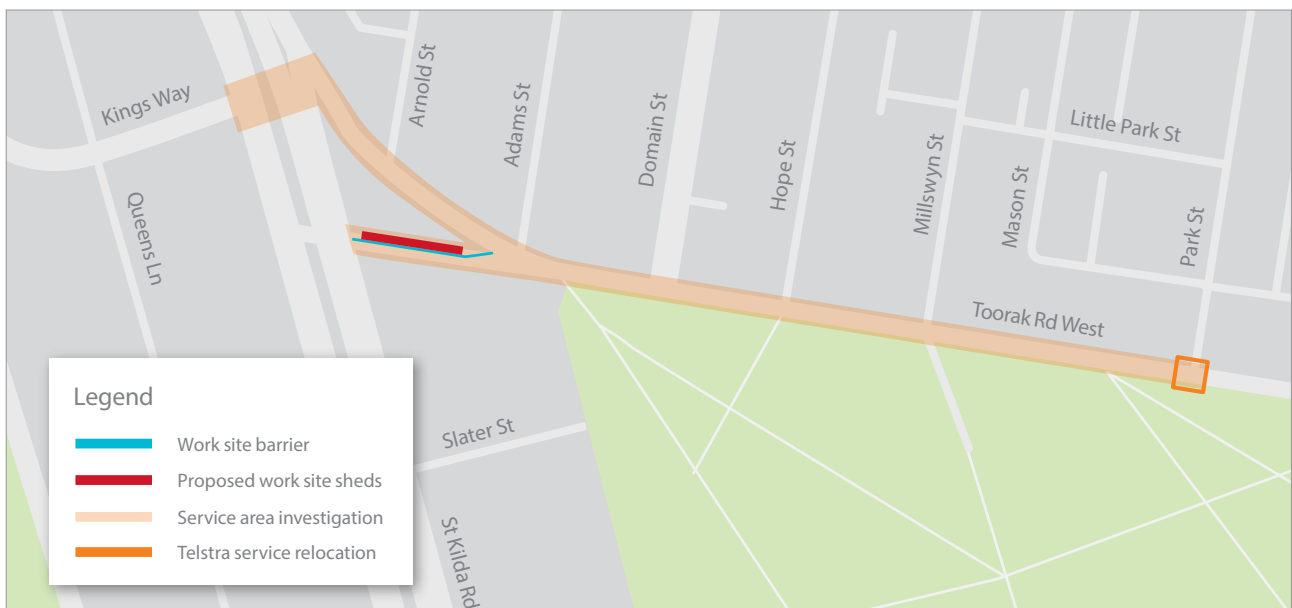

Further to our works notification distributed in early April, covering the period of **27 March - 21 April**, Yarra Trams is continuing with service identification on Toorak Road West during the remainder of April and throughout May, to confirm the location of services beneath Toorak Road West.

A Telstra service relocation will also take place, as well as site shed and barrier set up in preparation for major works in early July.

What we are doing

Service investigations

- Investigating and confirming the location of underground services on the north and south sides of Toorak Road West, between Leopold Street and St Kilda Road and in the Kings Way St Kilda Road intersection
- Non-destructive digging (NDD) including saw cutting small sections within the road

Construction partner:

Service relocations

- Relocating Telstra service cables
- Excavating conduit pits using a small excavator
- Drilling road crossings
- Rerouting and connecting cabling
- Jack hammering
- Backfilling and reinstating the area.

What to be aware of

- There will be periods of medium to high level noise associated with saw-cutting, excavator and drilling rig operation, and NDD. These louder activities will be prioritised to occur as early in the evening as possible
- There will be associated machinery noise which will be unavoidable, such as reversing beepers
- We will endeavour to keep noise to a minimum wherever possible
- There is no planned disruption to essential services
- Traffic management will be in place to manage the safety of work crews, pedestrians, cyclists and motorists and maintain flow of traffic. Please refer to signage in the area
- Access to private properties and businesses will be maintained at all times
- There will be some temporary pedestrian diversions in place during these works
- We will need to temporarily occupy a limited number of parking spaces along Toorak Road West
- Pavements will be reinstated at completion of works
- Site sheds and barriers are expected to be delivered on **Sunday 14 May**. At this time Toorak Road (between St Kilda Road and Adams Street) will be temporarily closed for installation.

When

Day Works

- From Monday 8 May to Wednesday 9 June
- 9am – 4pm, Monday to Friday
- 7am – 5pm, Saturday and Sunday.

Night Works

- 10pm - 4am, Thursday 11 May to Friday 12 May in Kings Way and St Kilda Road intersection
- 8pm – 4am, Thursday 11 May to Thursday 18 May (no more than 3 nights during this period) in Toorak Road West and Park St intersection
- 10pm – 4am, Monday 29 May until Tuesday 30 May on Toorak Road West between Leopold St and St Kilda Road
- 10pm – 4am, Thursday 1 June until Friday 5 June (no more than 3 nights during this period) on Toorak Road West between Leopold St and St Kilda Road.

Telstra Service Relocation works

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.
