

WORKS NOTIFICATION

SERVICE RELOCATION, PARKVILLE 28 AUGUST 2017

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

What we are doing

- Installing new power cables across Royal Parade. These works will be carried out using a surface launched drilling rig to bore a path beneath the surface between and entry and exit point
- Installing new power cables along the west side of Royal Parade, the works will be confined to the service lanes and verge and will be carried out by open cut trenching, consisting of excavating a trench, installing the cables, backfilling and reinstating the area
- Installing new power cables on Royal Parade crossing Grattan Street, this installation will be undertaken during night works. We will provide further notice prior to these works commencing.

What to be aware of

- Lane closures along Royal Parade will be in place from 10am to 8pm Monday to Friday and Saturday 7am to 5pm

- Some temporary pedestrian diversions will be required, detours will be in place
- Access to private properties and businesses will be maintained at all times
- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic Please refer to signage in the area
- There will be medium - high level noise associated with this activity
- Parking spaces temporarily removed at the works location
- There is no planned disruption to essential services.

When

- From Monday 28 August until late September
- 7am to 8pm, Monday to Friday
- 7am to 5pm, Saturday

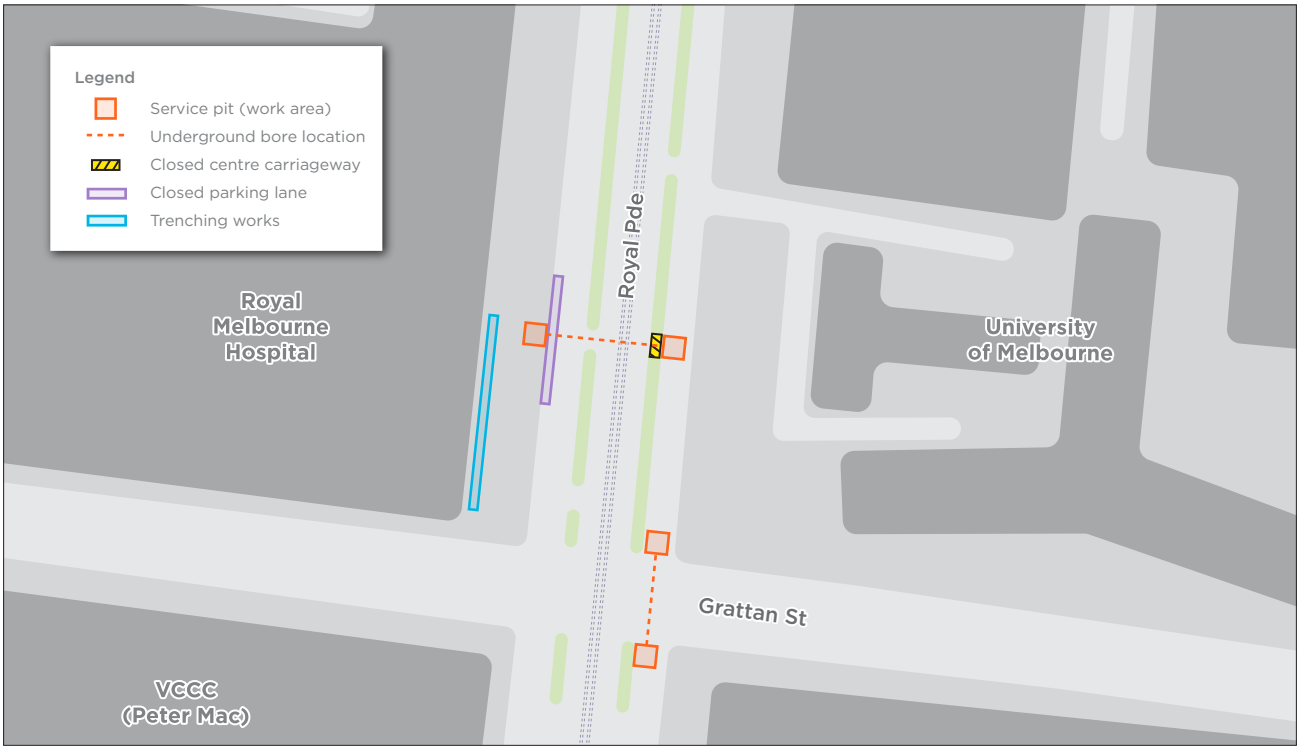

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will notify residents and businesses if there are any significant changes to the program.
