

WORKS NOTIFICATION

SERVICE RECONFIGURATION, BARWISE STREET

18 JULY - 29 JULY 2017

Works for the Metro Tunnel Project are now underway with activities taking place ahead of the start of major construction.

John Holland is the Managing Contractor for this package of works, which includes service relocation, tree and vegetation removal and demolition of existing buildings within the Arden Station construction site. This area is bounded by Laurens Street, Barwise Street, Moonee Ponds Creek and the Upfield rail lines

You may have received a notice from Citipower regarding underground cable work on Barwise Street. Citipower is undertaking this work on behalf of the Metro Tunnel.

What we are doing

- Reconfiguring underground power cables in Barwise Street to facilitate decommissioning and removal of the existing substation located within the Arden Station construction site
- Trenching works on Barwise Street, within existing parking spaces to facilitate the reconfiguration of cables.

What to be aware of

- There is no planned disruption to essential services
- Works will be staged along Barwise Street to limit the impact to parking

- We will need to temporarily occupy 10 parking spaces on Barwise Street at the works location
- A perimeter will be established around the work site to ensure the safety of the community and work crews
- There will be a medium level of noise associated with this activity
- Access to private properties and businesses will be maintained at all times
- There may be some temporary pedestrian diversions.

When

Tuesday 18 July to Saturday 29 July 2017

- 7am - 6pm, Monday to Friday
- 7am - 1pm, Saturdays.

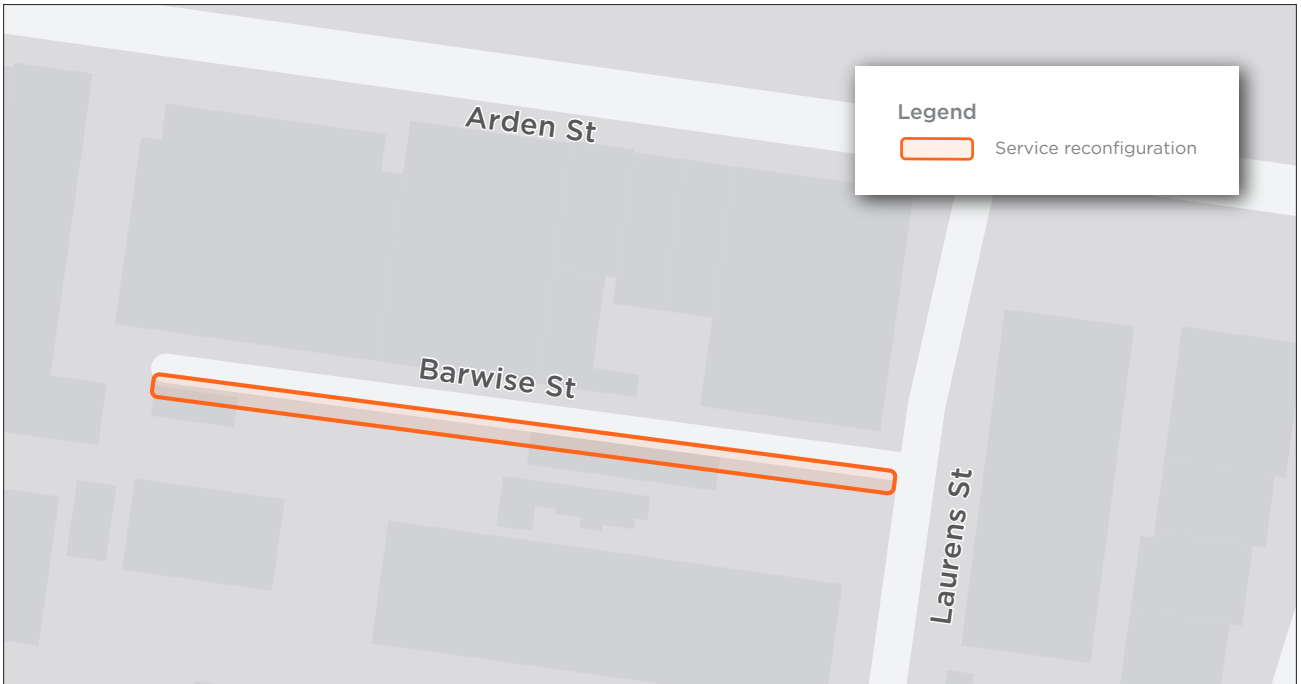

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will notify residents and businesses if there are any significant changes to the program.
