

WORKS NOTIFICATION

SERVICE RELOCATION, PARKVILLE 25 JULY 2017

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

What we are doing

Installing new power cables along the south side of Grattan Street between Elizabeth Street and Berkeley Street. These works will be carried out by open cut trenching, consisting of excavating a trench and manually installing each piece of pipe, backfilling and reinstating the area.

What to be aware of

- We will need to temporarily occupy a limited number of parking spaces on Grattan Street as the works progress
- There will be a closure at the intersection of Berkeley Street and Grattan Street for the final stage of installation, an update will be provided prior to impacted residents and businesses

- Some temporary pedestrian diversions will be required and detours will be in place
- Access to private properties and businesses will be maintained at all times
- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic. Please refer to signage in the area
- There will be medium - high level noise associated with this activity
- There is no planned disruption to essential services.

When

From Tuesday 25 July, until late August 2017

- 7am - 6pm, Monday to Friday
- 7am - 1pm, Saturdays.

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will notify residents and businesses if there are any significant changes to the program.
