

WORKS NOTIFICATION

SERVICE RELOCATION WORKS ONGOING TO LATE FEBRUARY 2018

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the Managing Contractor for this package of works, which involves the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

Conduit/cabling works

Ongoing until late February 2018

Circuit installation works are continuing until late February at the following locations:

- Royal Parade and Elizabeth Street southbound
- Footpath on the corner of Royal Parade and Grattan Street
- North side of Grattan Street near Leicester Street
- Corner of Berkeley and Grattan streets.

These works include cable hauling, excavating and trenching.

- Royal Parade southbound service lanes will be closed intermittently between 10am and 10pm, for pit access. During closures, cyclists will be

diverted onto the shared use path, and bus route 546 will use the centre carriageway

- Southbound lane closure will be in place on Berkeley Street until mid-February
- Pedestrian diversions will be in place on the north side of Grattan Street (between Royal Parade and Leicester Street), and on sides of Royal Parade
- Excavation works will generate medium-high levels of noise
- Works in existing pits will generate low levels of noise.

Drainage works, Royal Parade

Early until mid-February

Drainage pipe installation will also occur on the eastern side of Royal Parade.

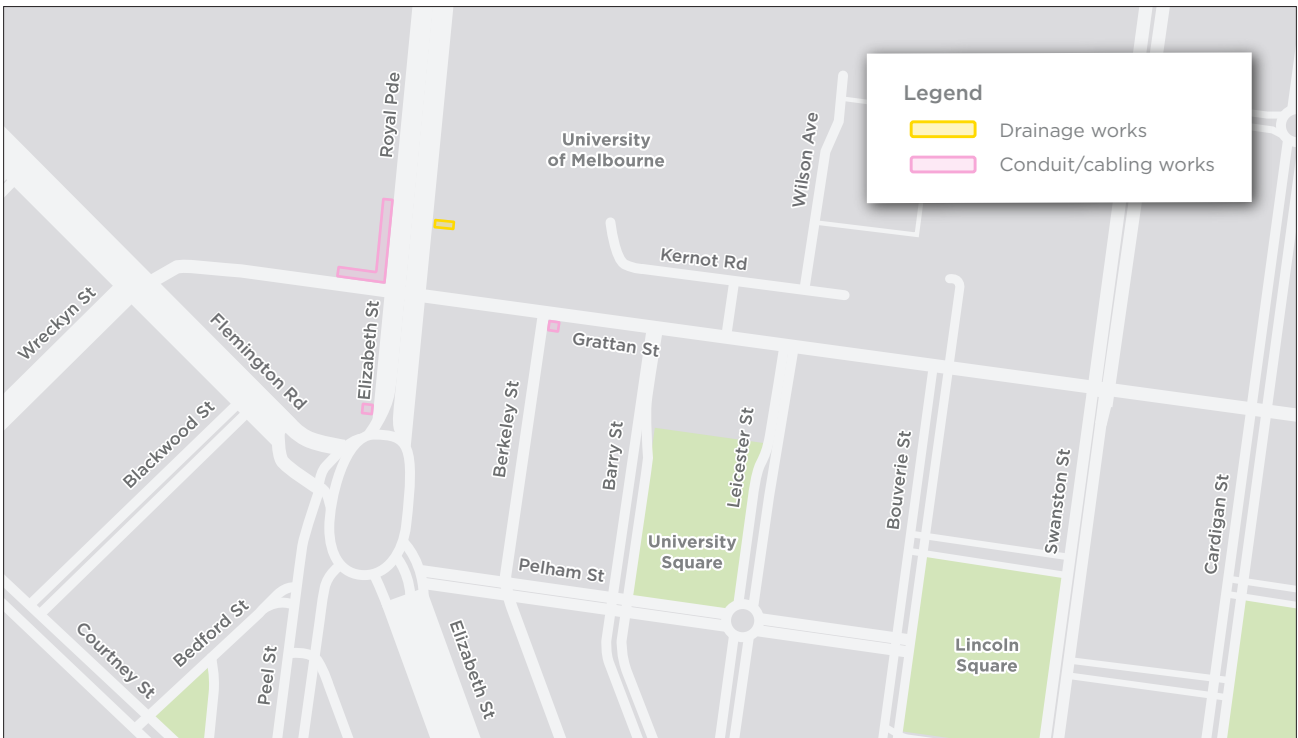

Works will occur during normal working hours:

- 7am - 6pm, Monday to Friday
- 7am to 1pm, Saturdays
- Pedestrian diversions will be required around the east side footpath of Royal Parade
- Some saw cutting and open trenching will be required and will generate medium to high level noise
