NIGHT WORKS: SWANSTON STREET TRAM GANTRY POST REMOVAL, CBD PRECINCT

Major works on the Metro Tunnel are underway to support construction of the new Town Hall Station at the southern end of Swanston Street in the CBD.

As part of building demolition works on Swanston Street, a tram gantry post used to support tram wires needs to be relocated and reinstalled.

When

- 8pm - 6am, 26 February 2018

What to expect

- The footpath on the west side of Swanston Street, between Young and Jackson and the Nicholas Building, will be closed during the works
- Pedestrians will be diverted to the footpath on the east side of Swanston Street, outside St Paul's Cathedral

- The northbound traffic lane on Swanston Street will also be closed
- The works are expected to generate a low level of noise
- Trams will not be impacted by these works.
