

WORKS NOTIFICATION

BICYCLE LANE REINSTATEMENT WORKS, LAURENS STREET 12 - 13 APRIL 2018

Works in preparation for major construction of the Metro Tunnel and the Arden Station (to be renamed North Melbourne) are continuing.

Prior to the commencement of major construction in the Arden precinct, reinstatement works will be undertaken on the western bicycle lane on Laurens Street.

What we are doing

- Cutting back the temporary asphalt and replacing it with permanent asphalt along the bicycle lane on the western side of Laurens Street (between Queensberry and Barwise streets)
- Using a road profiler to remove the temporary asphalt, an asphalt truck to lay the permanent asphalt and a roller to compact the surface
- Line marking using a paint truck.

What to be aware of

- This activity is expected to generate medium to high levels of noise

- A perimeter will be established around the work site on Laurens Street, between Queensberry and Barwise streets, to ensure the safety of the community and work crews
- Traffic will be reduced to one lane around the work site with contraflow traffic management in place to direct traffic flow
- Twenty parking spaces along both sides of Laurens Street, between Queensberry and Barwise streets, will be occupied during the works
- The bicycle lane will be closed with temporary cycling diversions in place
- Pedestrian access will be maintained at all times
- Access for residents and businesses will be maintained at all times, however there may be some slight delays.

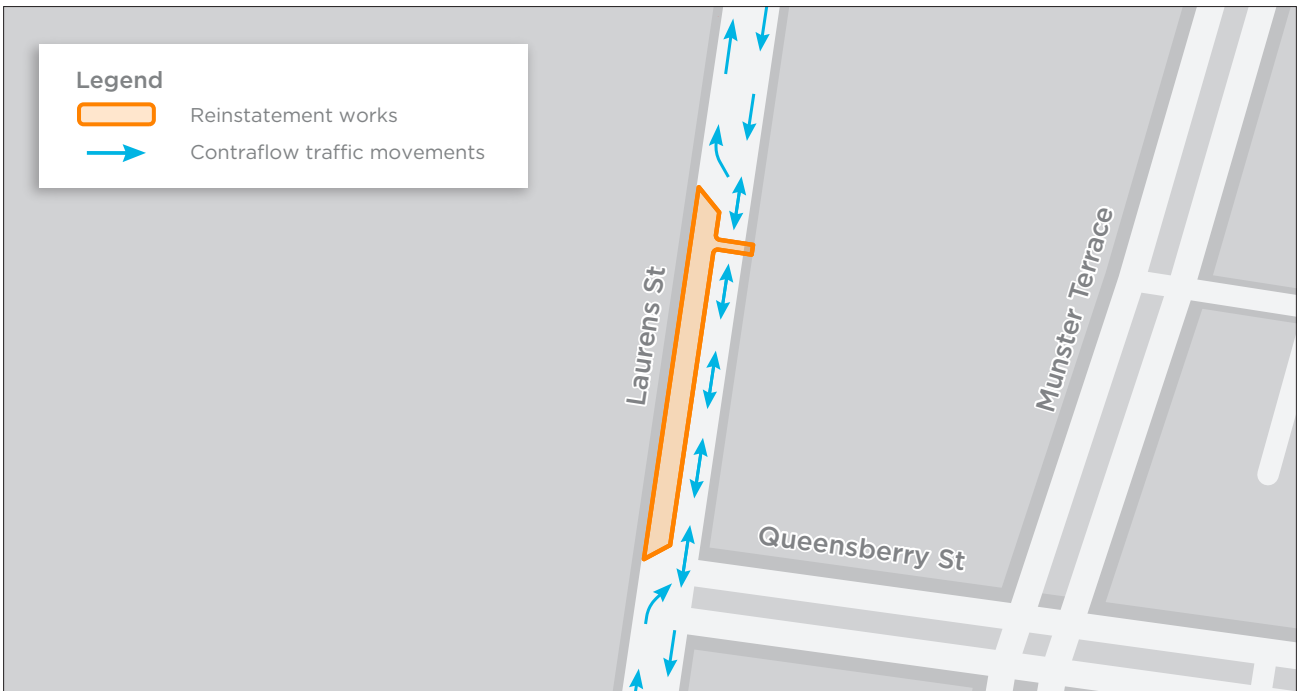

When

- 7am - 5pm, Thursday 12 and Friday 13 April 2018.

Construction partners:

Indicative only.
