

## WORKS NOTIFICATION

# NIGHT WORKS SERVICE PIT INSPECTIONS, CBD SOUTH 5 - 8 MARCH 2017

Site preparation works for the Metro Tunnel Project are now underway with investigation activities taking place ahead of the start of major construction.

John Holland has been appointed as the Managing Contractor for this package of works.

Further to our services investigation work in January, additional service pit inspections are required to identify services surrounding the City Square.

### What we are doing

- Confirming and identifying the location of underground services in the CBD South precinct

### Service pit investigation

- Visual inspections of sewer and stormwater pits on Flinders Lane, Swanston Street and Collins Street
- To ensure safety, inspections will take place at night outside of peak traffic hours
- This work is expected to take up to four nights to complete and will include the use of a vacuum truck
- There will also be temporary lane closures on Flinders Lane and Collins Street.

### What to be aware of

- These works (known as 'preparatory works') have been granted the relevant planning approvals
- Access to private properties and businesses will be maintained at all times
- Low noise levels are expected for this work
- Traffic management will be in place to ensure the safety of work crews and pedestrians and to maintain traffic flow
- There will be no impact to utility services

- There may be some temporary pedestrian and vehicle diversions.

### When

Service and visual inspections will take place between 9pm and 5am on the following dates:

- 5 March - Flinders Lane
- 6 March - Swanston Street
- 7 March - Collins Street
