

## WORKS NOTIFICATION

### SERVICE INVESTIGATIONS AND RELOCATION, PARKVILLE 14 AUGUST TO LATE AUGUST 2017

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

#### What we are doing

##### Service investigation

- Confirming and identifying the location of underground services in the northbound service lane of Royal Parade at the intersection of Grattan Street
- Non-destructive digging (NDD) including saw-cutting asphalt and digging narrow trenches to carefully expose underground utilities and verify the location of each service (including in footpaths and roads).

##### Service relocation

- Continuing installation of telecommunication conduits across Grattan Street and into Elizabeth Street by open cut trench

- Continuing installation of a new telecommunications pit to connect the conduits on Elizabeth Street.

#### What to be aware of

- There will be lane closures on Grattan Street, at the intersection of Royal Parade. Left and right turning lanes will be affected at times. Please refer to signage in the area
- We will need to temporarily occupy a limited number of parking spaces on Royal Parade for service investigation and to maintain traffic flow
- Access to private properties and businesses will be maintained at all times
- There is no planned disruption to essential services
- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic
- The location of NDD sites may vary depending on results of the investigation works.

#### When

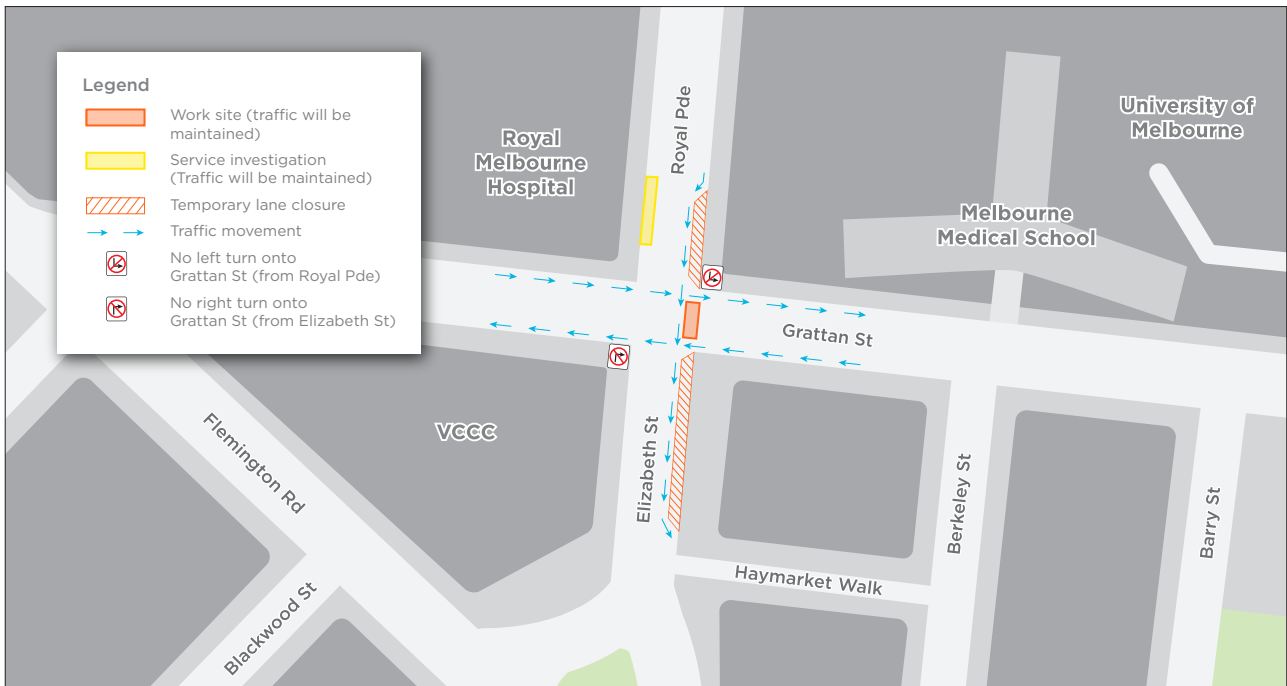

##### Service investigation

- From 14 August to 25 August 2017
- 7am -6pm, Monday to Friday
- 7am - 1pm, Saturdays

Construction partners:

Indicative only

### Service relocation

- Continuing to late August 2017
- 7am - 6pm, Monday to Friday
- 7am - 1pm, Saturdays

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will notify residents and businesses if there are any significant changes to the program.
