

WORKS NOTIFICATION

SERVICE RELOCATION, PARKVILLE 21 AUGUST TO LATE SEPTEMBER 2017

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

What we are doing

Stage 1

- Installing a new water main in the northbound lane of Barry Street from Grattan Street
- Installing new conduits in the southbound parking lane of Leicester Street from Grattan Street
- Installing new conduits in the eastbound lane of Pelham Street from Berkeley Street to Barry Street.

Stage 2

- Continue installing the water main in the northbound lane of Barry Street to Pelham Street
- Continue installing the new conduits in the southbound parking lane of Leicester Street to Pelham Street
- Continue installing the new conduits in the eastbound lane of Pelham Street from Barry Street to Bouverie Street.

Stage 3

- Continue installing the new conduits in the westbound lane of Pelham Street from Leicester Street to Barry Street

- Continue installing the new conduits in the northbound lane of Bouverie Street from Pelham Street to Grattan Street.

What to be aware of

- There will be a northbound lane closure on Barry Street between Pelham Street and Grattan Street in two stages as the works progress
- There will be staged lane closures on Pelham Street as the works progress
- There will be a northbound lane closure on Bouverie Street between Pelham Street and Grattan Street
- We will need to occupy a limited number of parking spaces on Pelham Street, Barry Street, Leicester Street and Bouverie Street as the works progress, please refer to signage
- Temporary fencing will be installed around the work sites to ensure the safety of the community and workers
- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic
- There will be medium to high level noise associated with this activity
- Access to private properties and businesses will be maintained at all times
- There will be some temporary pedestrian diversions required.

Construction partners:

When

- From 21 August to late September 2017
- 7am –6pm, Monday to Friday
- 7am – 1pm, Saturdays

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will provide updates prior to works progressing to the next stage and will notify residents and businesses if there are any significant changes to the program.
