

WORKS NOTIFICATION

DRAINAGE WORKS UPDATE, DOMAIN 2 JANUARY TO LATE MARCH 2018

Major works on the Metro Tunnel are now underway to support construction of the new Anzac Station which will significantly improve access to the St Kilda Road Precinct.

Further to the works notification issued for Drainage Diversion works on 18 November, please find additional information on the delivery and timing of this work.

What we are doing

Installing a new drain beneath St Kilda Road and Bowen Crescent

These works involve:

- Installing a new drainage pipe beneath the southbound St Kilda Road service lane using open cut trenching
- Laser boring a new drainage pipe beneath St Kilda Road
- Installing a new drainage pipe beneath Bowen Crescent using a combination of open cut trenching and laser boring

What to be aware of

- There will be periods of medium to high level noise associated with saw cutting the road, excavation and undertaking these works
- Impacts from noise, vibration and dust will be managed in accordance with the Metro Tunnel's Environmental Performance Requirements
- St Kilda Road will be reduced to one lane southbound from Domain Road to Bromby Street during night works
- St Kilda Road will be reduced to one lane southbound from Domain Road to Bromby Street at all times between 10 January to mid February 2018

- From 2 January until late February 2018, Bowen Crescent will be closed between Queens Lane and St Kilda Road at all times. Property access will be maintained
- Queens Lane will operate in a one way southbound direction only with entry via Bowen Crescent for the duration of the above road closure
- From mid-January until late March 2018 Bowen Crescent will be closed between Kings Way and Queens Road at all times. Property access will be maintained
- Bowen Crescent will be accessible to local traffic only during these works, with driveway access to be maintained
- This work will require the temporary occupation of kerbside carparks for the duration of the works.
