

## WORKS NOTIFICATION

### SERVICE RELOCATION, PARKVILLE 26 APRIL - LATE JULY 2017

Major works on the Metro Tunnel Project are now underway to support construction of a new underground station in Parkville.

John Holland has been appointed as the managing contractor for this package of works, which includes the relocation and protection of underground services, including drainage, water, sewer, gas, power and telecommunications.

#### What we are doing

- Installing a new gas main along Pelham Street and Bouverie Street
- Erecting temporary fencing around the work sites to ensure the safety of the community and workers.

#### What to be aware of

- The main will be installed by open cut trenching, consisting of excavating a trench and manually installing each piece of pipe, backfilling and reinstating the area
- There will be some noise associated with this activity
- There will be an eastbound closure of Pelham Street and a northbound closure of Bouverie Street as the works progress. Detours will be in place
- Directly impacted residents and businesses in the area will be updated as the works progress

- Traffic management measures will ensure the safety of work crews, cyclists and pedestrians and maintain flow of traffic. Please refer to signage in the area
- We will need to temporarily occupy a limited number of parking spaces on Pelham Street and Bouverie Street as the works progress
- Access to private properties and businesses will be maintained at all times
- There may be some temporary pedestrian diversions
- There is no planned disruption to essential services.

#### When

- From Wednesday 26 April 2017, until late July
- 7am - 6pm, Monday to Friday
- 7am - 1pm, Saturdays

All reasonable efforts will be made to complete works ahead of schedule, subject to weather and ground conditions.

We will notify residents and businesses if there are any significant changes to the program.

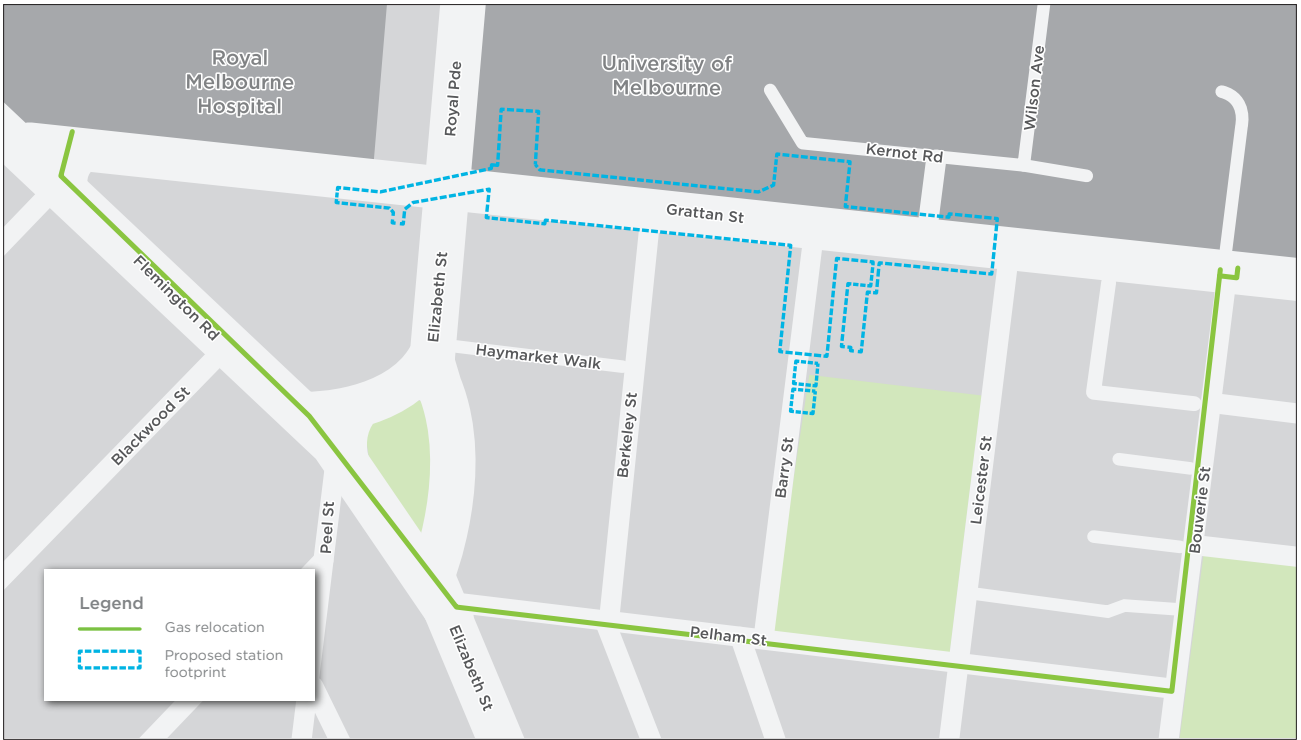

#### What's happening next

- Night works to commence installation of the new gas main on Flemington Road
- Further notifications will be provided prior to these works starting.
