

RAIL INFRASTRUCTURE ALLIANCE

## WORKS NOTIFICATION

### HOARDING INSTALLATION, PILING WORKS AND TEMPORARY CLOSURE OF ARTHUR STREET

#### FRIDAY 18 JANUARY TO MONDAY 25 FEBRUARY 2019

In January and February, we will install hoarding along Arthur Street, and start piling along the rail corridor and in the roadway. These works will require traffic changes and the temporary closure of Arthur Street.

#### What we are doing

- Installing 2.4m hoarding on Arthur Street to reduce noise, dust and light spill during construction.
- Piling along the rail corridor between William Street and Chapel Street.

#### When

- Hoarding will be installed from Monday 18 January to Monday 25 February
- Piling will take place from Monday 21 January to Monday 25 February
- Works will take place during normal construction hours (7am to 6pm, Monday to Friday and 7am to 1pm on Saturdays)
- No works will be undertaken on Sundays or public holidays.

#### Overnight delivery

- A piling rig will be delivered to site between 2am and 5am on Friday, 18 January

#### What to be aware of

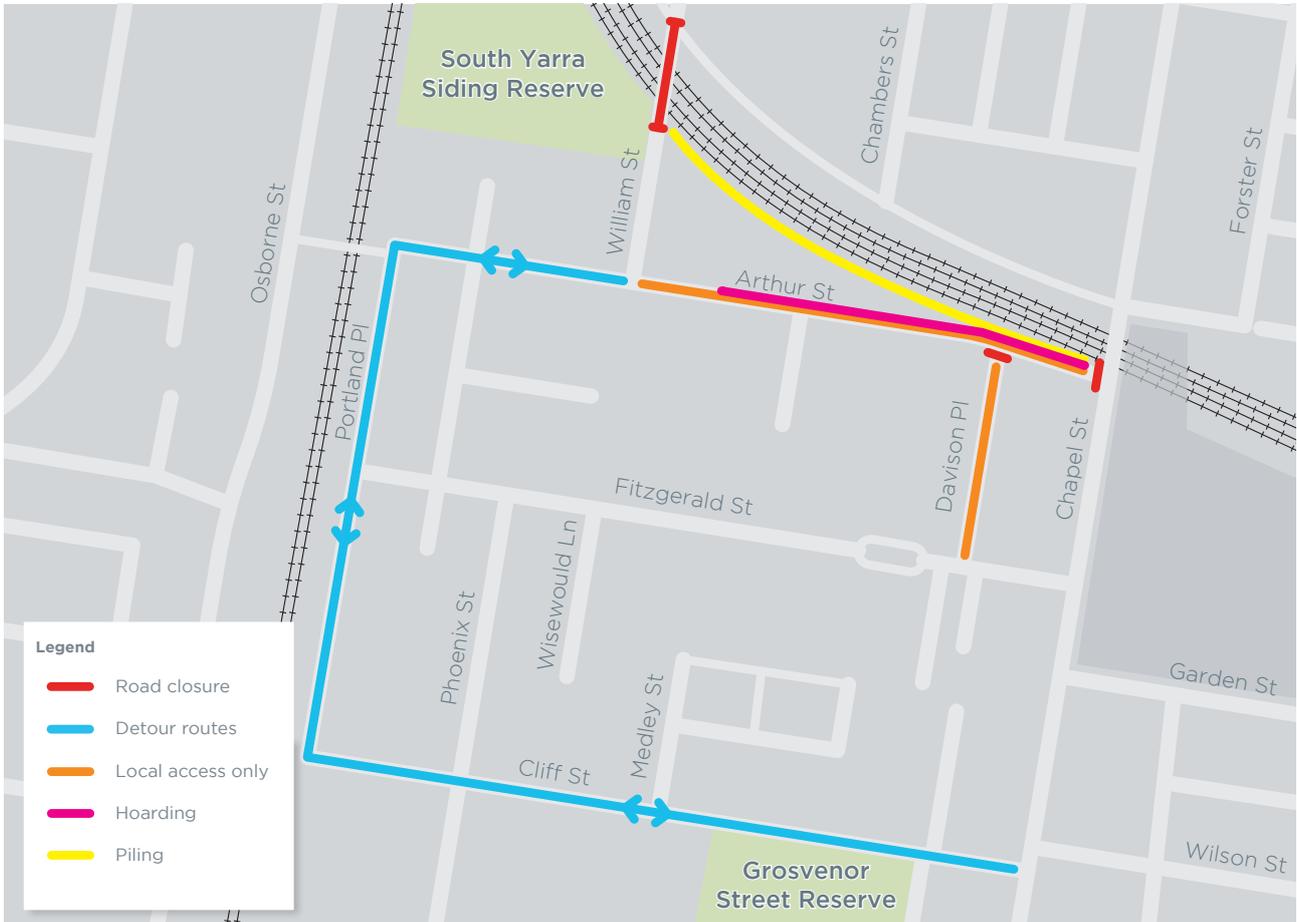

##### Traffic and access changes

- Access into Arthur Street from Chapel Street will be closed from Friday, 18 January until 6pm Monday, 25 February
- Access into Arthur Street will be maintained for local residents via Portland Place (see map overleaf)
- Traffic management will be in place to assist residents to access their property on Arthur Street
- Pedestrian access will be maintained
- Local access to driveways may be restricted or blocked for short periods of time. Residents will be personally notified before this occurs

##### Noise and vibration

- Piling works are expected to generate medium to high levels of noise and vibration
- Hoarding installation is expected to generate low levels of noise, with short periods of high noise as the fencing is anchored to the roadway using drills and hand tools.
