

WORKS NOTIFICATION

CITY FORD SITE ESTABLISHMENT AND OUT OF HOURS LINE MARKING WORKS, PARKVILLE PRECINCT

FROM 21 JULY 2019

Further to the June -July construction update, work is ongoing to establish the City Ford site as a truck holding area. A new truck entrance will be constructed to enable access to the City Ford site from Pelham Street. Line marking works will also take place within the precinct.

What we are doing

City Ford site - Pelham Street and Berkeley Street

- Installing barriers on the footpath on the north side of Pelham Street and the west side of Berkeley Street adjacent to the City Ford site to create the work areas (refer to map)
- Demolishing the kerb and removing pavement using a saw cutter, excavator and jackhammer at both Pelham Street and Berkeley Street entrances
- Asphaltting two new driveways on Pelham Street and Berkeley Street.

Line marking and water blasting - Leicester and Grattan Street intersection, Pelham and Berkeley Street intersection and Barry Street

- Using a water blaster to remove existing road markings at each location (refer to map)
- Installing new line markings using a support vehicle at each location
- Line marking and water blasting will be staged over two to three nights. Works will take up to three hours at each location per night
- These works are scheduled at night to minimise impacts to traffic.

When

City Ford - Pelham Street and Berkeley Street

- 7am to 6pm, Sunday 21 July 2019 - Berkeley Street
- 7am to 6pm, Monday to Friday from Monday 29 July 2019 for approximately two weeks - Pelham Street.

Line marking and water blasting

- 7pm to 7am, Sunday 28 July 2019 - staged water blasting at each location
- 7pm to 7am, Monday 29 and Tuesday 30 July 2019 - staged line marking at each location.

What to be aware of

- City Ford works are expected to generate medium to high levels of noise
- Water blasting is expected to generate high levels of noise
- Line marking is expected to generate low levels of noise
- If works are unable to be completed, they will be completed on the next available shift.

Traffic and pedestrian changes

- Signage and traffic controllers will be in place to safely guide pedestrians, cyclists and vehicles around the work areas.

City Ford – Pelham Street works

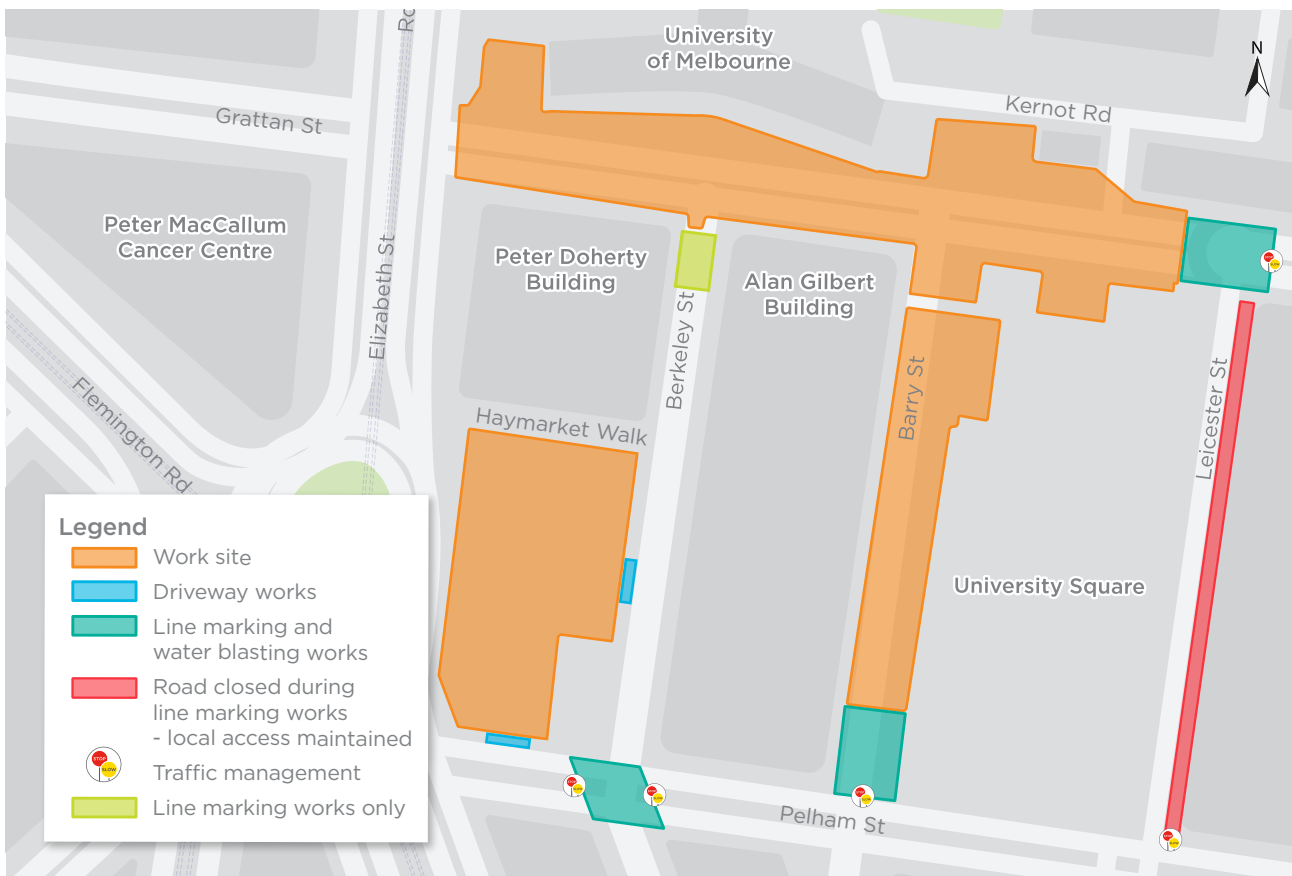

- Three car parks on the north side of Pelham Street, adjacent to the City Ford site will be closed during the works. Following completion of the works, these car parks will remain closed for the duration of the Metro Tunnel Project
- The Pelham Street footpath adjacent to the City Ford site will be closed during works with pedestrians diverted into the parking bays.

City Ford – Berkeley Street works

- The Berkeley Street footpath adjacent to the City Ford site will be closed during works with pedestrians diverted into the parking bays.

Line marking and water blasting works

- Leicester Street will be closed between Pelham and Grattan streets during works. Local access will be maintained
- Barry Street will be closed between Pelham Street and the work site
- There will be staged closures at the Pelham and Berkeley Street intersection during works. Traffic controllers will be in place to safely guide vehicles through the area.

Indicative only
