

RAIL INFRASTRUCTURE ALLIANCE

## WORKS NOTIFICATION

### 24/7 WORKS TOORAK ROAD TO HAWKSburn STATION **FRIDAY 13 TO MONDAY 16 SEPTEMBER 2019**

In September, 24/7 works will take place within the rail corridor between Toorak Road and Hawksburn station. Works will involve the installation of signal foundations, overhead wires and cables along the rail corridor.

#### What we are doing

- Excavation and concrete pouring to install foundations for overhead structures
- Trenching works for underground conduit installation
- Running cables through new conduits and overhead structures
- Installation of drainage.

#### When

- Friday 13 to Monday 16 September
- 24/7 works, beginning after the last passenger service on Friday evening and finishing before the first passenger service on Monday morning.

#### Traffic impacts

During this time, 24/7 construction vehicle access to the rail corridor via the following locations in South Yarra will be required:

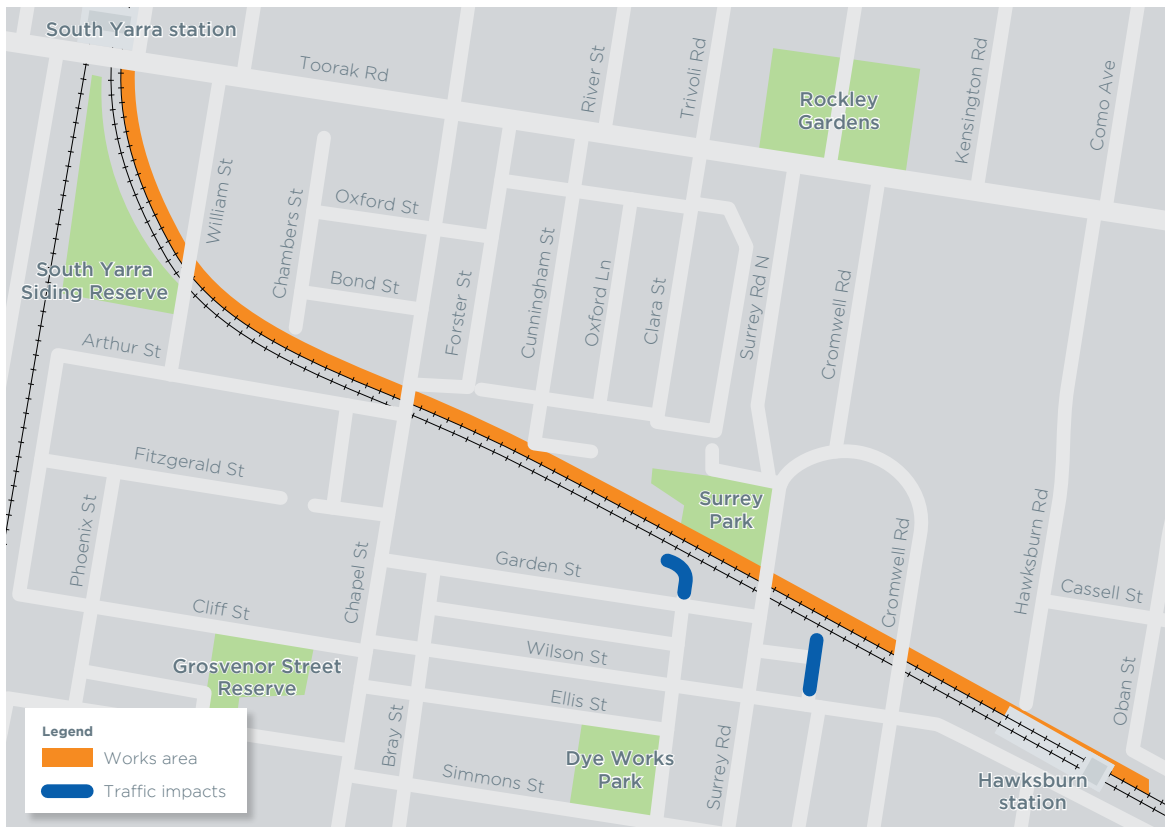

- Palfreyman Street
- Railway Place

Some access restrictions and temporary parking removal may also be required during this time.

Additional notification will be provided to directly affected residents and businesses closer to the works.

## What to be aware of

- These works are expected to generate medium levels of noise, with some periods of high-level noise
- These works will be completed under directional lighting to ensure the safety of our workers. Every effort will be made to direct these lights away from homes
- Additional truck movements will be required as soil material is removed from the rail corridor
- If you have any concerns regarding these works please contact **1800 105 105**.
