

## WORKS NOTIFICATION

### MICROPILING, LA TROBE STREET SITE SEPTEMBER – MID-OCTOBER 2019

Further to the State Library Construction Update notification distributed on 2 September 2019, tunnelling is underway and activities to prepare backfilling the temporary shaft at the La Trobe Street site will now commence.

#### What we are doing

- Oversized trucks to demobilise the roadheader between 1am and 5am between Thursday 12 September and Monday 16 September 2019 (if required)
- Micropiling within the temporary shaft using a piling rig from 7am to 10pm from Monday 16 September until mid-October 2019
- Installing cages and grout into the temporary shaft using a crane and trucks between 10pm and 7am until mid-October 2019

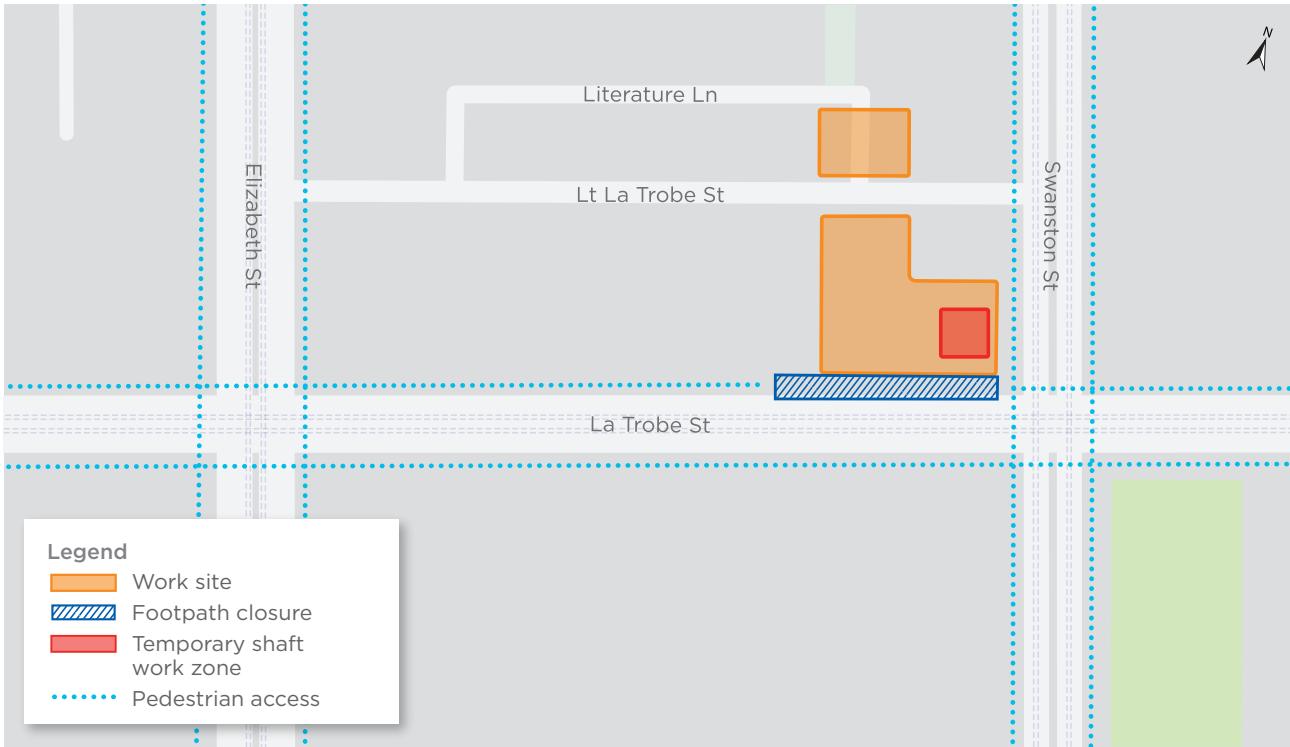

#### What to be aware of

- Micropiling works will generate medium to high levels of noise
- Works to install cages and grout will generate low levels of noise

- Traffic management will be in place to safely guide pedestrians, cyclists, and motorists around the work area during deliveries
- Access to businesses and residential buildings will be maintained at all times
- Following micropiling activities, a reinforced concrete slab and bulkhead will be constructed at the base of the shaft prior to backfilling. More information will be provided closer to the date.

#### When

- Micropiling: 7am to 10pm from Monday 16 September until mid-October 2019
- Installation of cages and grout: 10pm to 7am from Monday 16 September until mid-October 2019.

Indicative only
