

WORKS NOTIFICATION

SITE INVESTIGATIONS

24 HOUR WEEKEND WORKS – TOORAK ROAD WEST, SOUTH YARRA

8PM FRIDAY 6 DECEMBER – 6AM MONDAY 9 DECEMBER 2019

Major construction is continuing in Domain at the site of the future Anzac Station

Investigations are continuing in Domain to assess ground and environmental conditions.

These investigations will build on previous work to finalise design and construction methodology for the twin nine-kilometre tunnels, including the future cross passages.

A cross passage is a connection between two main tunnels. It is important to understand the ground conditions and the services above these cross passages before the tunnelling commences. Investigations involve the use of a drill to remove a cylinder of material from the ground to determine the soil conditions at the location of the cross passage.

As the location of these investigations are directly beneath Toorak Road West. Toorak Road West eastbound will be temporarily closed to vehicles between St Kilda Road and Adams Street, South Yarra for 24 hour weekend works from 8pm Friday 6 December to 6am Monday 9 December.

When are we working?

24 hours

24 hour works are required to minimise the duration of the closure of Toorak Road West.

What we are doing

- Installation of temporary site fencing
- Saw cutting concrete and asphalt
- Non-destructive digging (NDD)
- Geotechnical Investigative Drilling
- Demobilising equipment and reinstatement of area

What to be aware of

24 hour weekend works

- These works will take place 24/7 in order to minimise traffic disruption
- There will be some periods of high-level noise
- The noisiest periods of work will take place from 9.00pm to midnight on Friday 6 December as the roadway is cut to prepare for drilling. Drilling will continue until completion of the investigations.

Access for traffic and pedestrians

- Toorak Road West eastbound will be closed to vehicles between St Kilda Road and Adams Street, South Yarra
- Traffic will be diverted east via Anzac Avenue or Commercial Road (refer map for suggested diversions)
- Access from Toorak Road West onto St Kilda Road will remain open (westbound lane)

- Access to private properties and businesses will be maintained at all times
- Three carparks on Toorak Road West and one carpark on Arnold Street will be occupied during these works (Refer map for location)
- Pedestrians and cyclists will be diverted around the worksite, cyclists will need to dismount through the diversion (refer map for detail)
- Traffic controllers will be in place throughout the works to direct pedestrians safely around the site.

Tram Services

Route 58 tram services will not be affected.

Works on Toorak Road

Indicative only

Toorak Road eastbound detour route

Indicative only

Route 58 tram will not be affected during works
