

Works Notification

Out of Hours Works at Westall Station

Saturday 12 and Sunday 13 June 2021

Construction continues on the Cranbourne and Pakenham lines between Caulfield Station and Sandown Park Station, to install next-generation High Capacity Signalling trackside equipment and signalling technology as part of the Metro Tunnel Project.

Works are required to be undertaken at Westall Station outside standard working hours over the weekend of Saturday 12 and Sunday 13 June.

Please read the information in this notification to familiarise yourself with the impacts of the works.

What we are doing

- Trenching/excavation
- Cable pulling and tray installation
- Reinstating sections of the station access ramp

When

Saturday 12 and Sunday 13 June 2021:

- 7am to 6pm.

What to be aware of

- Works will require the use of machinery including excavators and dump trucks
- These works are expected to generate medium levels of noise
- For the safety of rail passengers and our workers these activities must be carried out while trains are not running
- The ramp and stair access to Platform 1 at Westall Station will be closed while these works are taking place.

Following the out of hours works over this weekend, further work will be completed in this area during standard working hours over the coming days.

Health and safety

Metro Tunnel works are progressing safely under the current circuit breaker coronavirus (COVID-19) restrictions in Victoria.

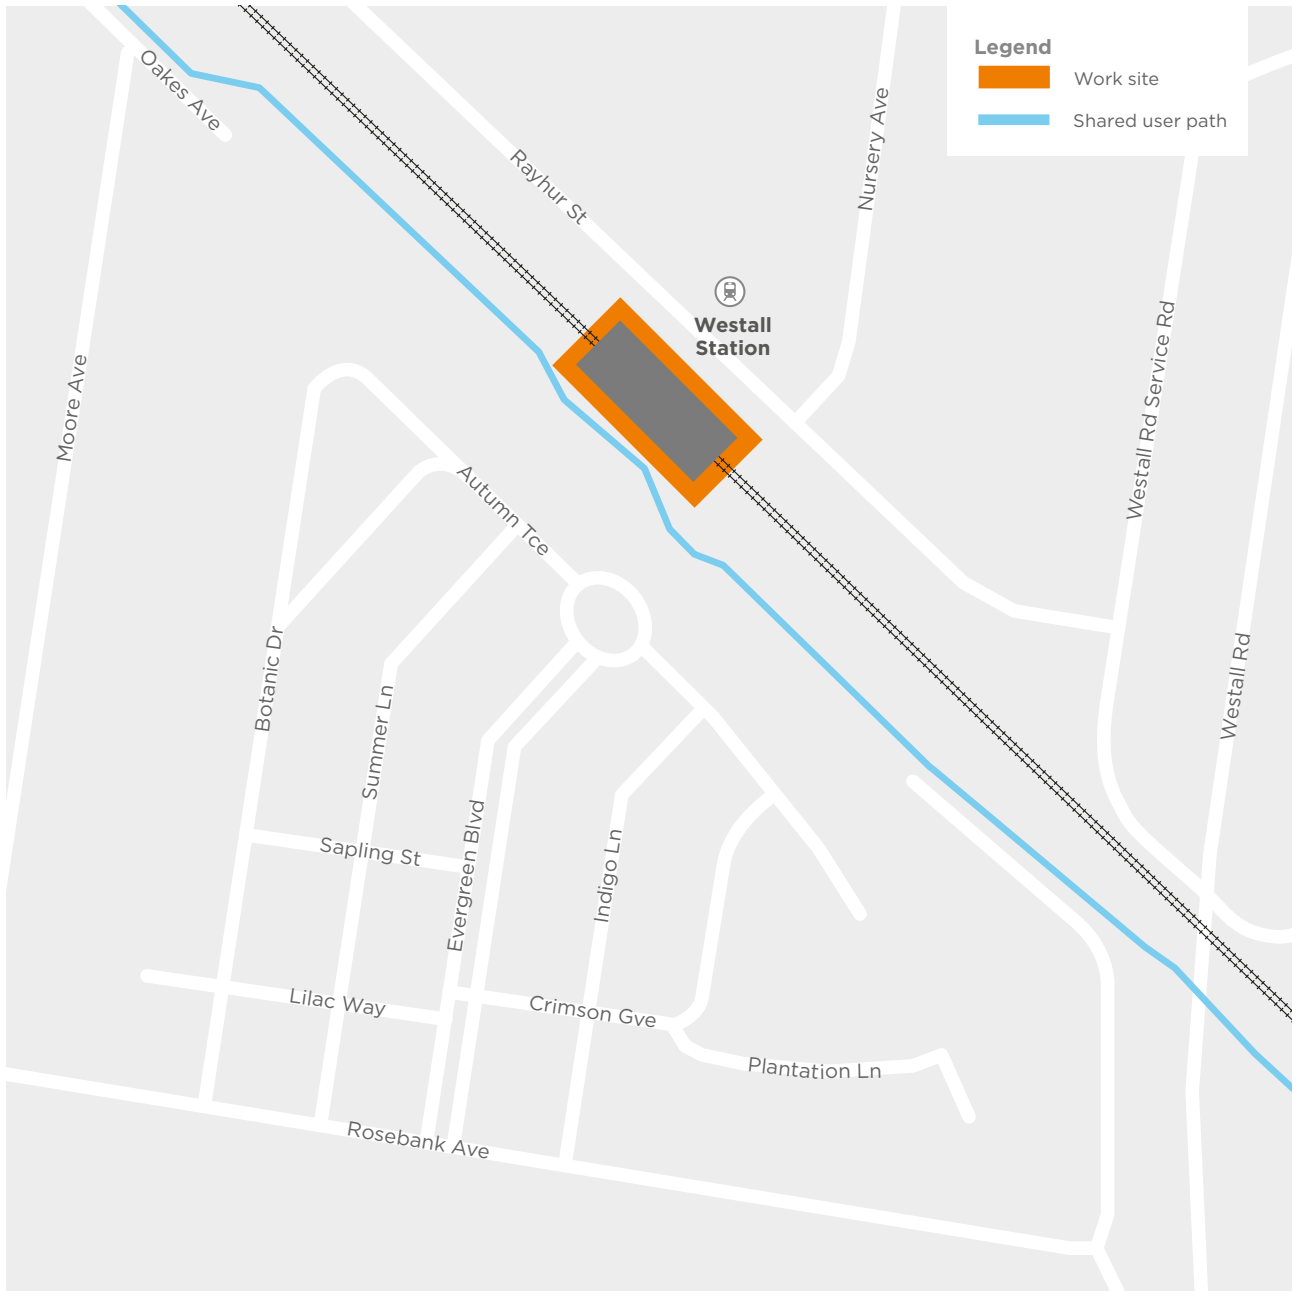

Construction is an authorised industry and COVIDsafe Plans are in place on all our project sites.

The health and safety of our workforce and community is our top priority.

Workers on all of Victoria's Big Build sites are currently required to wear face masks unless they meet any of the criteria for exception – such as a medical condition or to meet Occupational Health and Safety guidelines.

Physical distancing measures are in place, as well as increased hygiene practices.

For more information and advice about the coronavirus (COVID-19), please visit coronavirus.vic.gov.au
