

# Works Notification

## Temporary partial road closure of Normanby Road Normanby Road, Caulfield

**Wednesday 13 October to Thursday 14 October**

Works to install the relocatable equipment building (REB) at Normanby Road have been rescheduled to commence overnight on Wednesday 13 October.

### What we are doing

- Installing an REB at Normanby Road near Caulfield station to house rail services equipment that will power bigger, more modern trains
- The REB will be built offsite and delivered to the site pre-constructed
- A 130 tonne crane will be set up on Normanby Road to safely lift the building into place within the rail corridor
- The REB will be delivered to site on an oversize truck where it will be lifted into place
- The truck will travel via Dandenong Road, turn into Normanby Road and drive into site, where the REB will be unloaded by crane.

### When

#### Temporary partial road closure and parking removal on Normanby Road

- 7am Wednesday 13 October to 7am Thursday 14 October.

#### Delivering and installing the REB

- Between 10pm Wednesday 13 October and 5am Thursday 14 October.

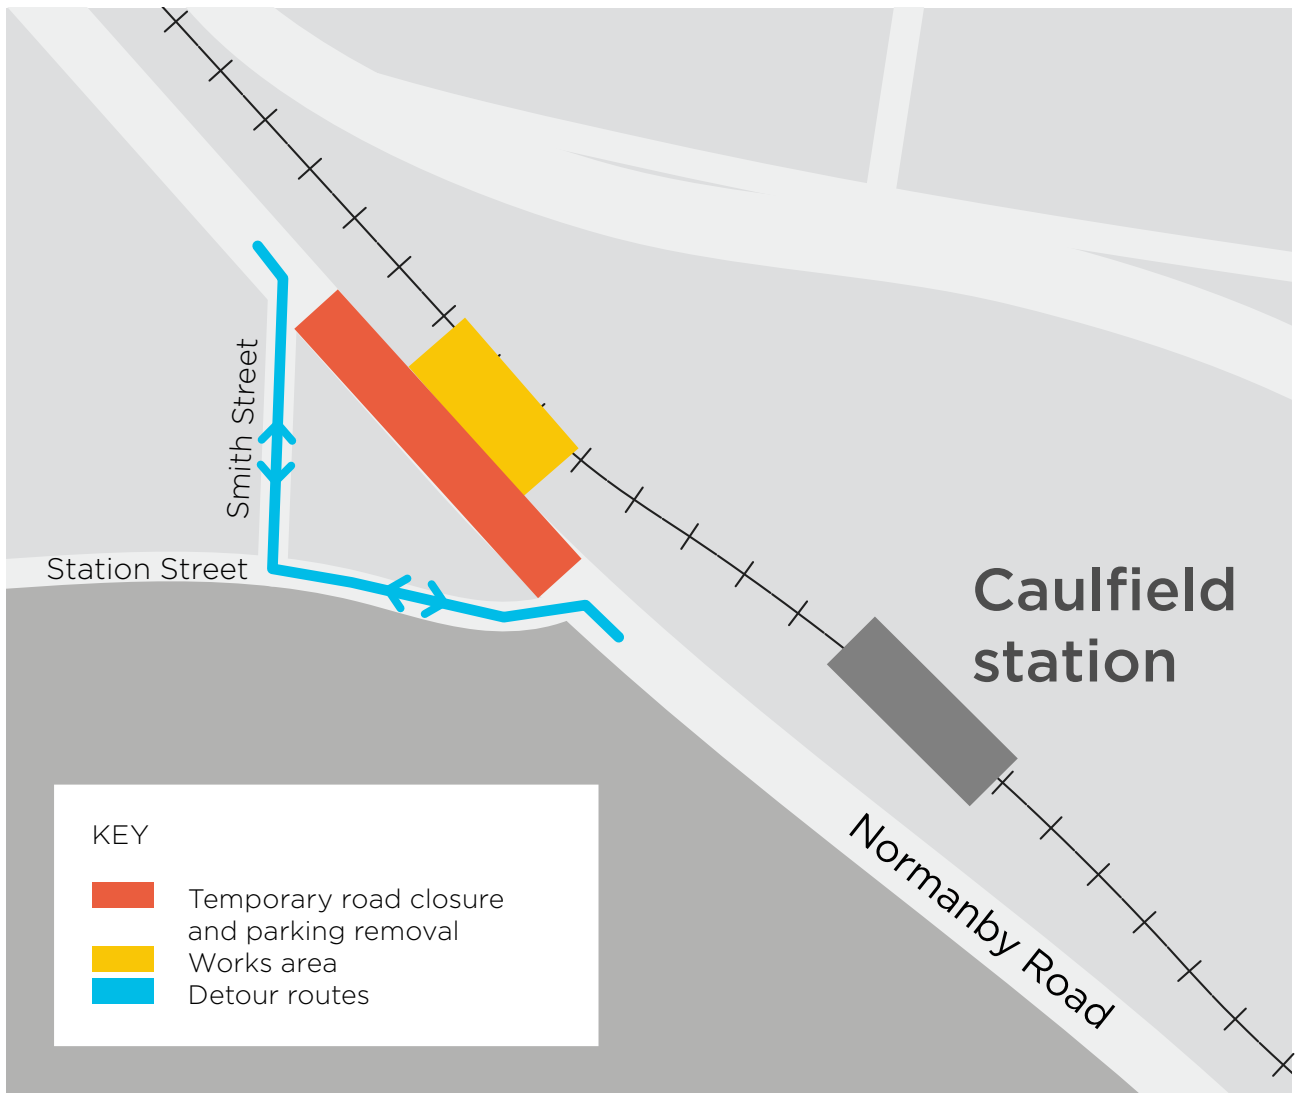

### What you should be aware of

#### Traffic changes

- The temporary parking and road closure of Normanby Road will take place where the crane will be set up, between Smith and Station streets
- Detours will be in place from 7am Wednesday 13 October to 7am Thursday 14 October
- Traffic management will be in place to facilitate local traffic movement and pedestrian access along Normanby Road at all times.

#### Noise

- Works are expected to generate medium levels of noise when the crane is operating
- Overnight works will be completed under directional lighting to ensure the safety of our workers. Every effort will be made to direct these lights away from residential properties.

### Health and safety

Works will resume safely from 5 October on the Metro Tunnel with COVID-Safe Plans in place to help protect workers and the community.

Strict processes are in place to check and record the vaccination status of workers entering construction sites.
