WORKS NOTIFICATION

OUT OF HOURS WORKS
LEUNIG PLACE, FOOTSCRAY
28 SEPTEMBER – 12 OCTOBER

Further to the September construction update distributed this month, we wish to remind you of upcoming out of hours works in your area.

Major construction is continuing along the Sunbury Line in preparation for the Metro Tunnel. Buses will replace trains on sections of the Sunbury Line between Sunday 29 September and Friday 11 October, during which works will take place 24 hours a day along the rail corridor between Tottenham station and the Maribyrnong River.

To facilitate safe access into the rail corridor for specialised vehicles during these works, a temporary rail access site will be constructed on a vacant block of land at Leunig Place, Footscray.

What we are doing

• Excavating excess soil and installing a rubber access pad using hand tools
• Accessing the rail corridor with construction vehicles on a 24 hour basis.

What to be aware of

• These works are expected to produce medium levels of noise and vibration
• During these works, Leunig Place will be closed to public traffic, with traffic controllers present to manage access for pedestrians and local residents. Local access to Ryan Street will also be maintained
• The use of generator-powered lighting towers will be required during nightworks. We will work closely with residents to manage light impacts
• An increase in construction machinery will be travelling on local roads to access the rail corridor. Traffic controllers will be present at times to assist construction vehicle access, pedestrians and cyclist movements around construction sites
• For the safety of rail users and our workers, these activities can only be performed safely when trains are not running.

When

• 8pm, Saturday 28 September to 4am, Saturday 12 October.
Travel changes
To ensure the 24 hour works can take place safely, buses will replace trains between Flagstaff and Sunshine stations on the Sunbury line from 11.15pm Saturday 28 September to 9pm Friday 11 October. For further details and to plan your journey, visit ptv.vic.gov.au
