

## WORKS NOTIFICATION

# TRAFFIC CHANGES – LEOPOLD STREET, ARTHUR STREET, SLATER STREET AND ARMADALE STREET 13 OCTOBER – 27 OCTOBER 2019

Major construction is continuing in the Domain Precinct at the site of the future Anzac Station as part of the Metro Tunnel Project.

### What we are doing

Works to realign the traffic, tram and bicycle lanes on St Kilda Road will take place from 13 October to 27 October 2019. These works will allow us to establish a new construction area to complete the Anzac Station box, joining the existing northern and southern sections together.

During this period, tram replacement buses will be in operation on St Kilda Road between Park Street, South Melbourne and Commercial Road, South Yarra from 8.30pm Sunday 13 October to 6 am Monday 28 October, 2019. As a result, there will be some access changes for local traffic during this period.

### What to be aware of

#### Southbound traffic

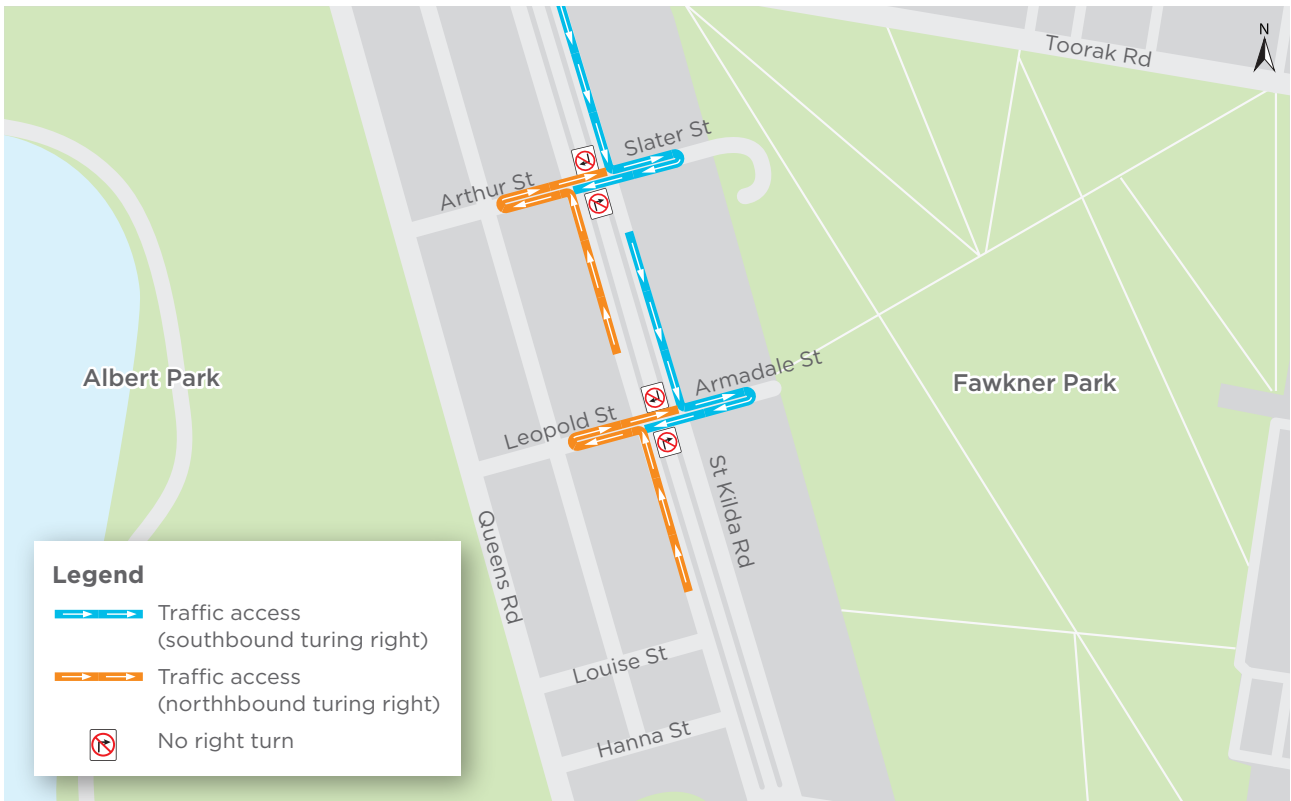

- The right hand turns from St Kilda Road into Leopold and Arthur Streets respectively, will not be available during this time
- Vehicles wishing to turn right from St Kilda Road into Leopold Street or Arthur Street, will need to turn left instead and perform a U-turn where permitted
- Drivers may wish to use Queens Road southbound as an alternative to St Kilda Road.

#### Northbound traffic

- The right hand turns from St Kilda Road into Slater and Armadale Streets respectively, will not be available during this time
- Vehicles wishing to turn right from St Kilda Road into Slater and Armadale Streets will need to turn left instead and perform a U-turn where permitted.

#### When

- From 8.30pm Sunday 13 October to 5.30am Sunday 27 October.

Indicative only
