

## WORKS NOTIFICATION

### EXTENDED CONSTRUCTION HOURS ARTHUR AND WILLIAM STREETS, SOUTH YARRA FRIDAY 1 TO SUNDAY 10 MAY 2020

As part of the Metro Tunnel works to construct the eastern tunnel entrance in South Yarra, critical works will be completed to install new drainage pipes within the South Yarra Siding Reserve.

#### What we are doing

- Installation of new drainage pipes within the South Yarra Siding Reserve
- These works will require the use of a hydraulic jack to push the pipe into the ground
- The new pipes will be connected to the rainwater detention tank at a later date.

#### When

- Friday 1 to Saturday 2 May, 7am to 7pm
- Monday 4 to Saturday 9 May, 7am to 7pm
- Sunday 10 May, 7am to 5pm.

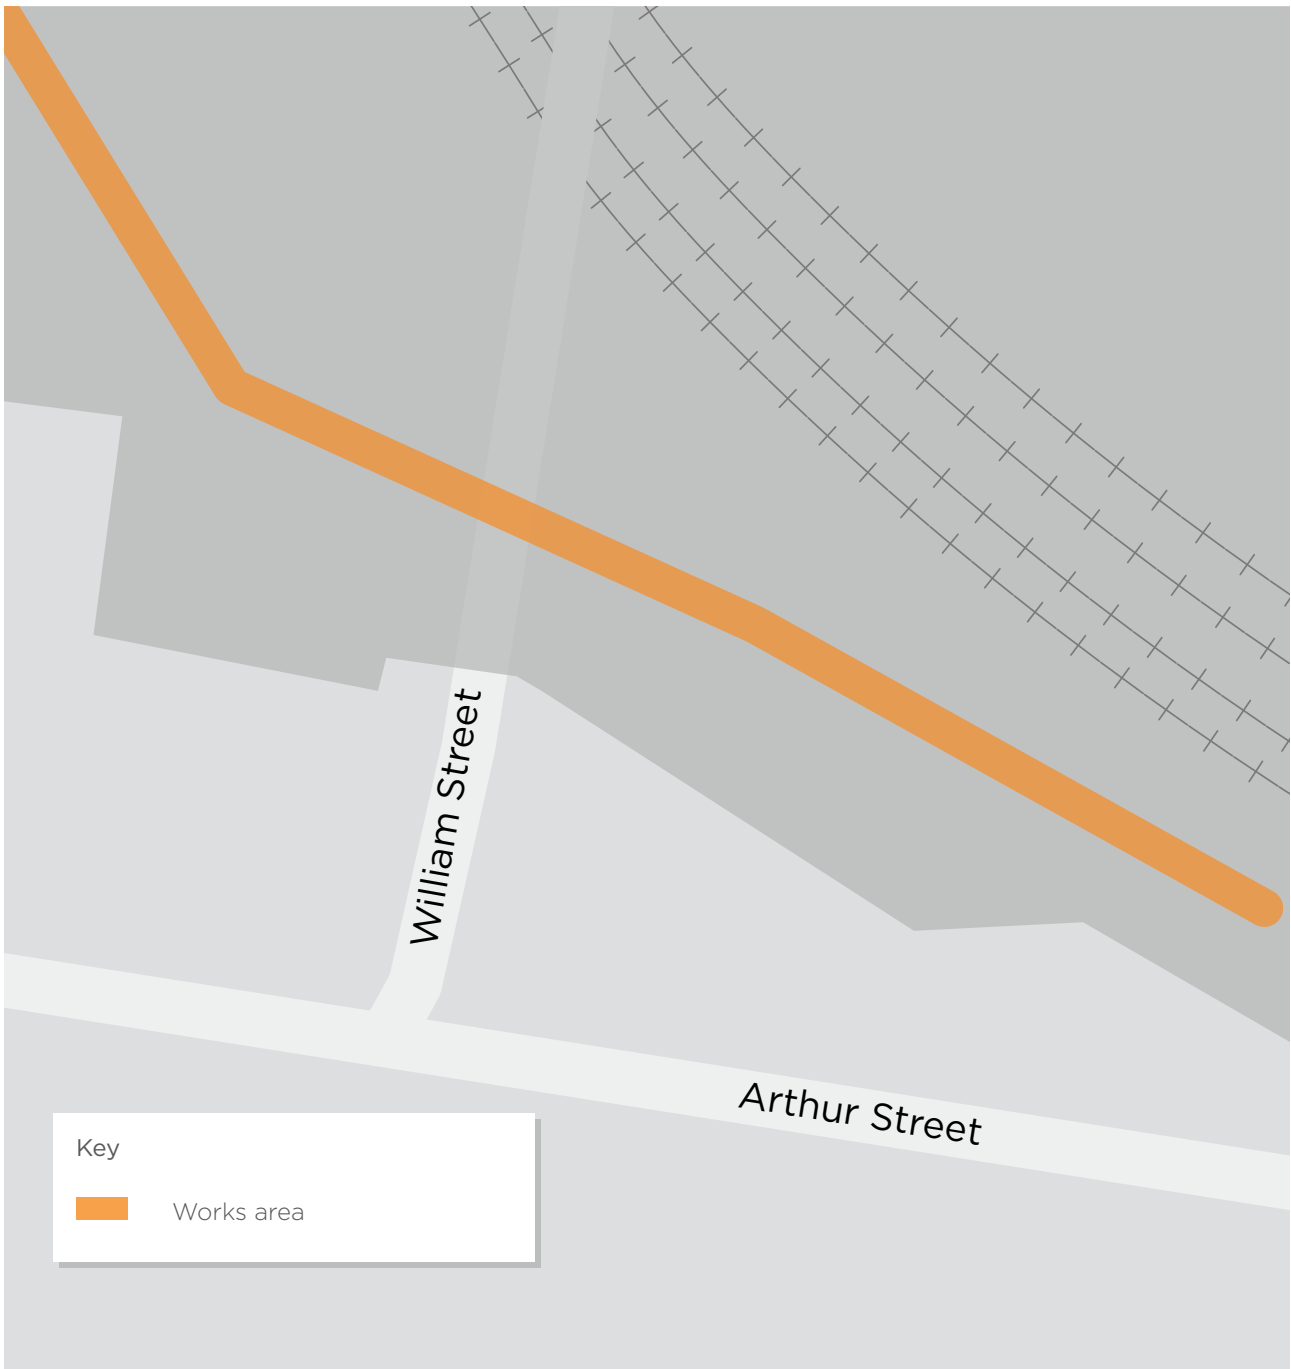

#### What to be aware of

- As the installation of the pipe is critical to ensure the structural integrity of the drainage structure, works will be required to extend past normal construction hours, to ensure that works are completed safely
- These works are expected to generate medium to high levels of noise as the pipe is pushed into the ground, with some low level vibration.

#### Health and safety

The health and safety of our workers and the community is our key priority as we continue to deliver the Metro Tunnel Project, as is supporting physical distancing measures in line with current health advice. We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.
