

WORKS NOTIFICATION

24/7 SERVICE INVESTIGATION WORKS, RAIL CORRIDOR, BETWEEN SOUTH YARRA AND WINDSOR STATIONS

SUNDAY 21 TO WEDNESDAY 24 JUNE 2020

As part of the Metro Tunnel works to construct the eastern tunnel entrance in South Yarra, we will be completing inspections of previously installed rail infrastructure along the rail corridor between South Yarra and Windsor stations while trains are not running on the Sandringham line.

What we are doing

- Inspecting previously installed rail signals and conduits along the rail corridor between South Yarra and Windsor stations
- A small work crew will use headlamps and hand tools to inspect the signals and cable conduits.

When

- From 8pm Sunday 21 to 4am Wednesday 24 June.

What to be aware of

- These works are expected to generate low levels of noise
- Due to other project works also taking place in the rail corridor, buses will be replacing trains on the Sandringham line from 8pm to the last train each night from Sunday 21 to Wednesday 24 June. Visit www.ptv.vic.gov.au for more information.

Health and safety

The health and safety of our workers and the community is our key priority as we continue to deliver the Metro Tunnel Project, as is supporting physical distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.
