

## WORKS NOTIFICATION

### WATER MAIN RELOCATION BOWEN CRESCENT, DOMAIN PRECINCT **MONDAY 6 JULY - TUESDAY 14 JULY, 2020**

Major construction is continuing in Domain at the site of the future Anzac Station as part of the Metro Tunnel Project.

#### What we are doing

A new water line and connection will be installed underneath St Kilda Road to enable the removal of an existing main relating to the Anzac Station entrance for the Shrine of Remembrance.

To complete these works, the team must directionally drill from within the site boundary underneath St Kilda Road to the connection point at Bowen Crescent. The drilling rig will be set up inside the construction site on St Kilda Road, whilst works will occur on the corner of Bowen Crescent and St Kilda Road to pull piping under the road and connect into the main.

#### What to be aware of

- Monday 6 July to Tuesday 14 July, a work crew will be present on the corner of Bowen Crescent and St Kilda Road to complete the bore and relocation of the water main
- The eastbound lane of Bowen Crescent will be closed between Queens Lane and St Kilda Road for the duration of the works
- The works will involve directional drilling from within the Anzac Station site underneath St Kilda Road towards Bowen Crescent and tapping into a South East Water main
- Plant and machinery will include, but won't be limited to, directional drilling rig, non-destructive digging (NDD) truck, small excavator, pipe drum and winch

- Initial saw cutting of the road and NDD works to establish the drilling site will generate intermittent periods of high levels of noise
- The drilling, main connection and reinstatement of the road is expected to generate medium levels of noise
- Pedestrian access across Bowen Crescent will be maintained, with a minor detour in place
- Residents of the Botanica will have access to their driveway, however, will be required to exit the Bowen Crescent driveway towards Kings Way. There will be no access to St Kilda Road directly from Bowen Crescent during these dates
- Due to the site setup, Bowen Crescent is unable to be reopened during the evening when there are no works occurring.

#### When

- Monday 6 July - Tuesday 14 July
- Works will be completed during normal construction hours of 7am - 6pm on weekdays, with extended hours of 7am - 6pm on Saturday.

Indicative only
