

# Works Notification

## Out of hours works Kensington

**1 April – 4 April and 9 - 12 April 2021**

In April we will be working out of hours within the rail corridor, undertaking minor track works and installing signalling and service equipment along the existing Sunbury line.

### What we are doing

- Inspecting and adjusting sections of tracks, involving the use of an excavator and truck
- Installing and removing track monitoring equipment using hand tools
- Installing fencing along the rail corridor adjacent to the Kensington Road rail bridge, using a small excavator and power tools
- Installing new steel cable boxes and trenches within the rail corridor, between Lloyd Street and Maribyrnong River, using excavators, rail-mounted trucks and a non-destructive digging truck
- Installing new signalling equipment, involving the use of specialised rail machinery, including an excavator
- Overhead works to install equipment onto 17 overhead structures, requiring the use of four elevated working cranes.

### When

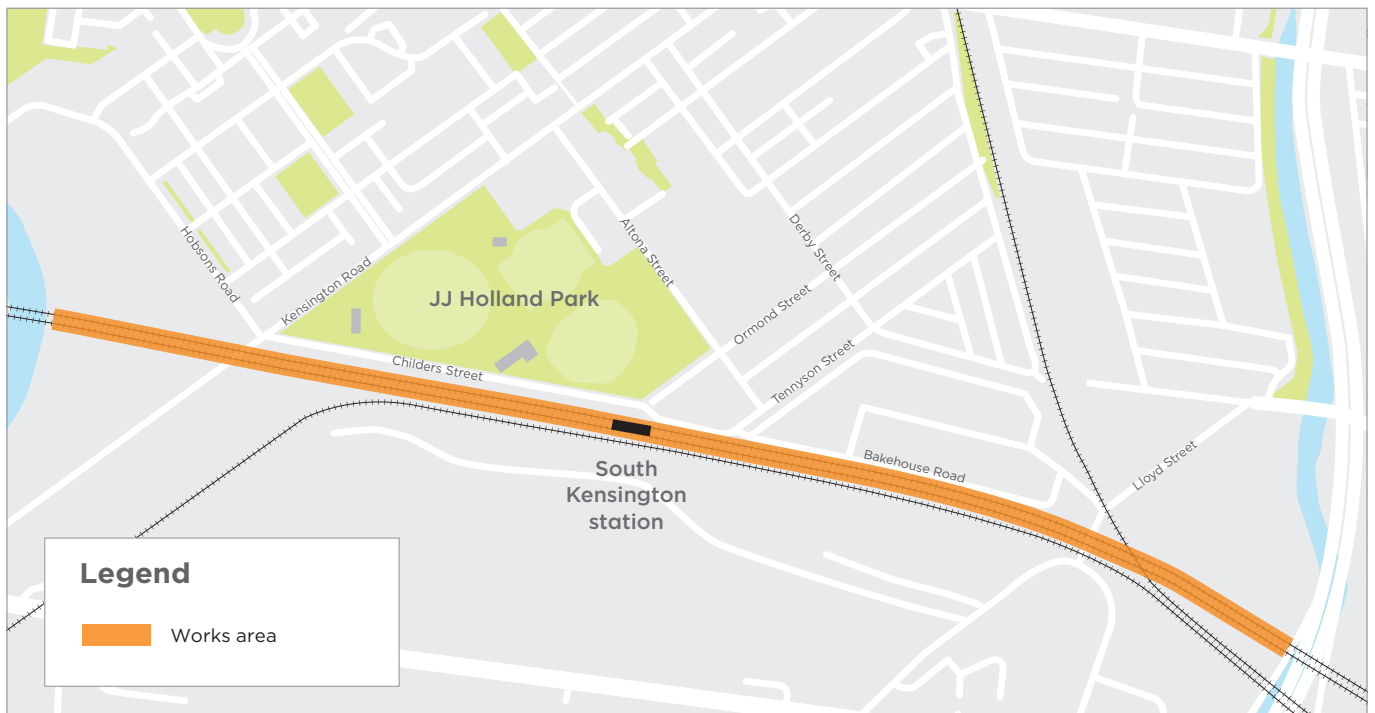

- 24/7 from 6pm, Thursday 1 April to 7am, Sunday 4 April 2021
- 24/7 from 6pm, Friday 9 April to 5am, Monday 12 April 2021.

### What you should be aware of

- Works will generate medium levels of noise
- Machinery will utilise horns and reversing beepers to ensure safe vehicle movements during the shutdown
- Use of temporary light towers powered by generators within the rail corridor. Where possible, they will be positioned to face away from residential properties
- To minimise disruption to the local community and rail users, important Metro Trains Melbourne maintenance works will also be carried out at this time. For more information on these works visit [metrotrains.com.au](http://metrotrains.com.au).

### Travel changes

Buses will replace trains in April to allow the 24-hour works to take place. For journey planning and service information please visit [ptv.vic.gov.au](http://ptv.vic.gov.au) or call **1800 800 007**.

### Health and safety

Works on the Metro Tunnel Project are progressing with strict COVIDsafe plans in place.

The health and safety of our workforce and community remains our top priority.
