

## **Important information**

**Relocatable equipment  
building (REB) Works  
Railway Place, South Yarra**

**Ongoing to Friday 11 June 2021**

# Works in preparation to install the REB at Railway Place will continue until Friday 11 June.

Further to the works notification in March, we wish to advise preparation works to install the REB at Railway Place will be extended until Friday 11 June.

Works will involve installing the building foundations. These works will require a concrete truck and crews with hand tools.

Works are expected to generate low to medium levels of noise and low levels of vibration. There will be an increase in trucks moving through the area.

To ensure works are undertaken safely and efficiently, parking along Wilson Street will be temporarily unavailable between these times. Traffic management will be in place to facilitate local traffic and residential access will be maintained.

Further information about delivering and installing the REB will be provided closer to the delivery date.

## When:

Ongoing to Friday 11 June 2021  
7am – 6pm, Mondays to Fridays

## Where:
