

WORKS NOTIFICATION

SERVICE RELOCATIONS – LITTLE LA TROBE STREET, CBD PRECINCT 26 JULY – 21 AUGUST 2018

Major works on the Metro Tunnel are underway to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

As part of the Metro Tunnel project, CitiPower will be relocating power services under Little La Trobe Street and Literature Lane between **Thursday 26 July and Tuesday 21 August 2018**.

What we are doing

Work to relocate underground power services along Little La Trobe Street and Literature Lane (refer to map overleaf). This involves:

- Setting up localised traffic controls to guide pedestrians, cyclists and motorists around the work site
- Excavation and backfilling
- Installation of services
- Cable connection and testing
- Installing steel plates at the end of each shift to reinstate the road for use by local traffic.

When

- **7am – 6pm, Monday to Friday**
- **7am – 1pm, Saturdays** (if required).

What to be aware of

- Access to properties and businesses on Little La Trobe Street and Literature Lane will be maintained at all times
- Traffic management will be in place to safely guide pedestrians, cyclists, and motorists around the work area
- There will be high levels of noise during ground breaking and excavation work requiring use of a vacuum truck
- Interruption to electricity supply is not expected during these works. If this changes CitiPower will contact anyone who is directly affected
- We also need to relocate gas and power services in this area. These works are currently in planning and we will notify you ahead of these works occurring.

Service relocation Little La Trobe Street
