WORKS NOTIFICATION

TREE REMOVAL AND SERVICE INVESTIGATIONS CHAMBERS STREET, SOUTH YARRA

FRIDAY 18 JANUARY

The removal of one on-street tree on the corner of Chambers and Bond streets is required to enable the safe identification and relocation of assets underneath the footpath.

What we are doing

Works to remove the tree will involve:

- Saw cutting and excavating the concrete on the footpath
- Using chainsaws to remove the tree
- Mulching the removed tree
- Using a non-destructive digger to locate the services under the footpath
- Reinstating the footpath surface

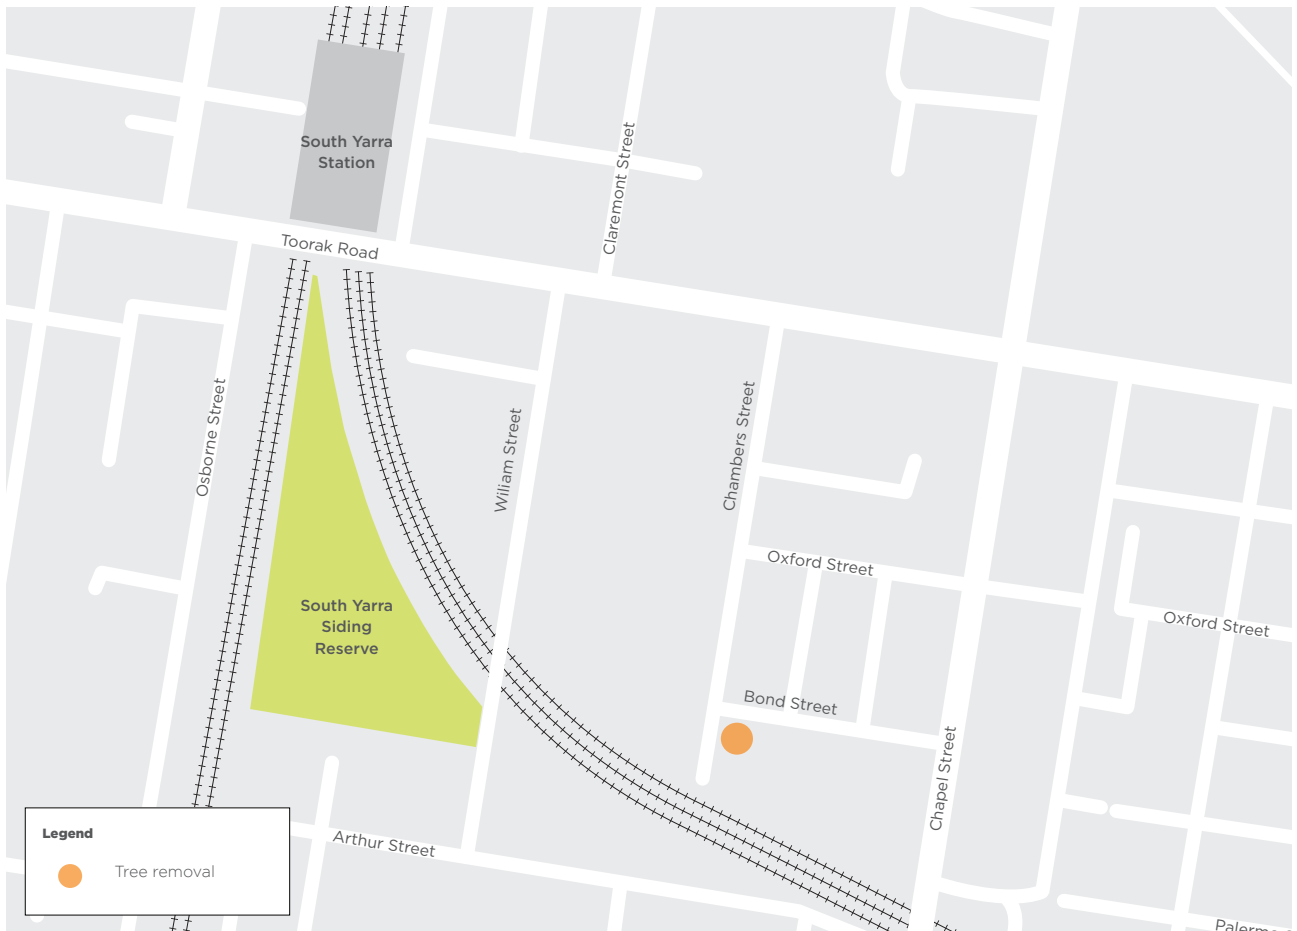

Every effort has been made to minimise the number of trees to be removed. Two trees will be replaced for every tree removed by the project.

When

- 7am to 6pm
- Friday, 18 January.

What to be aware of

- Vehicle and pedestrian access will be maintained at all times
- Traffic controllers will manage the safe flow of vehicles and pedestrians while the tree is being removed
- These works are expected to generate medium levels of noise, with intermittent periods of high levels of noise.
