Tram pole wire connections

Park St, South Melbourne

Wednesday 3 April, 1.30am to 5.30am

- Overhead tram wires will be moved from an existing tram wire pole to a new tram wire pole. Line marking works within the intersection of Park Street and St Kilda Road will also take place
- These works will require a full closure of St Kilda Road in both directions between Dorcas Street and Toorak Road West
- Park Street residents will need to access properties via Kings Way during this time
- St Kilda Road traffic will be diverted via Kings Way and Dorcas Street
- These works are expected to generate periods of low-level noise
- These works need to take place at night to minimise impacts on the tram and road networks.

Barrier removal and line marking

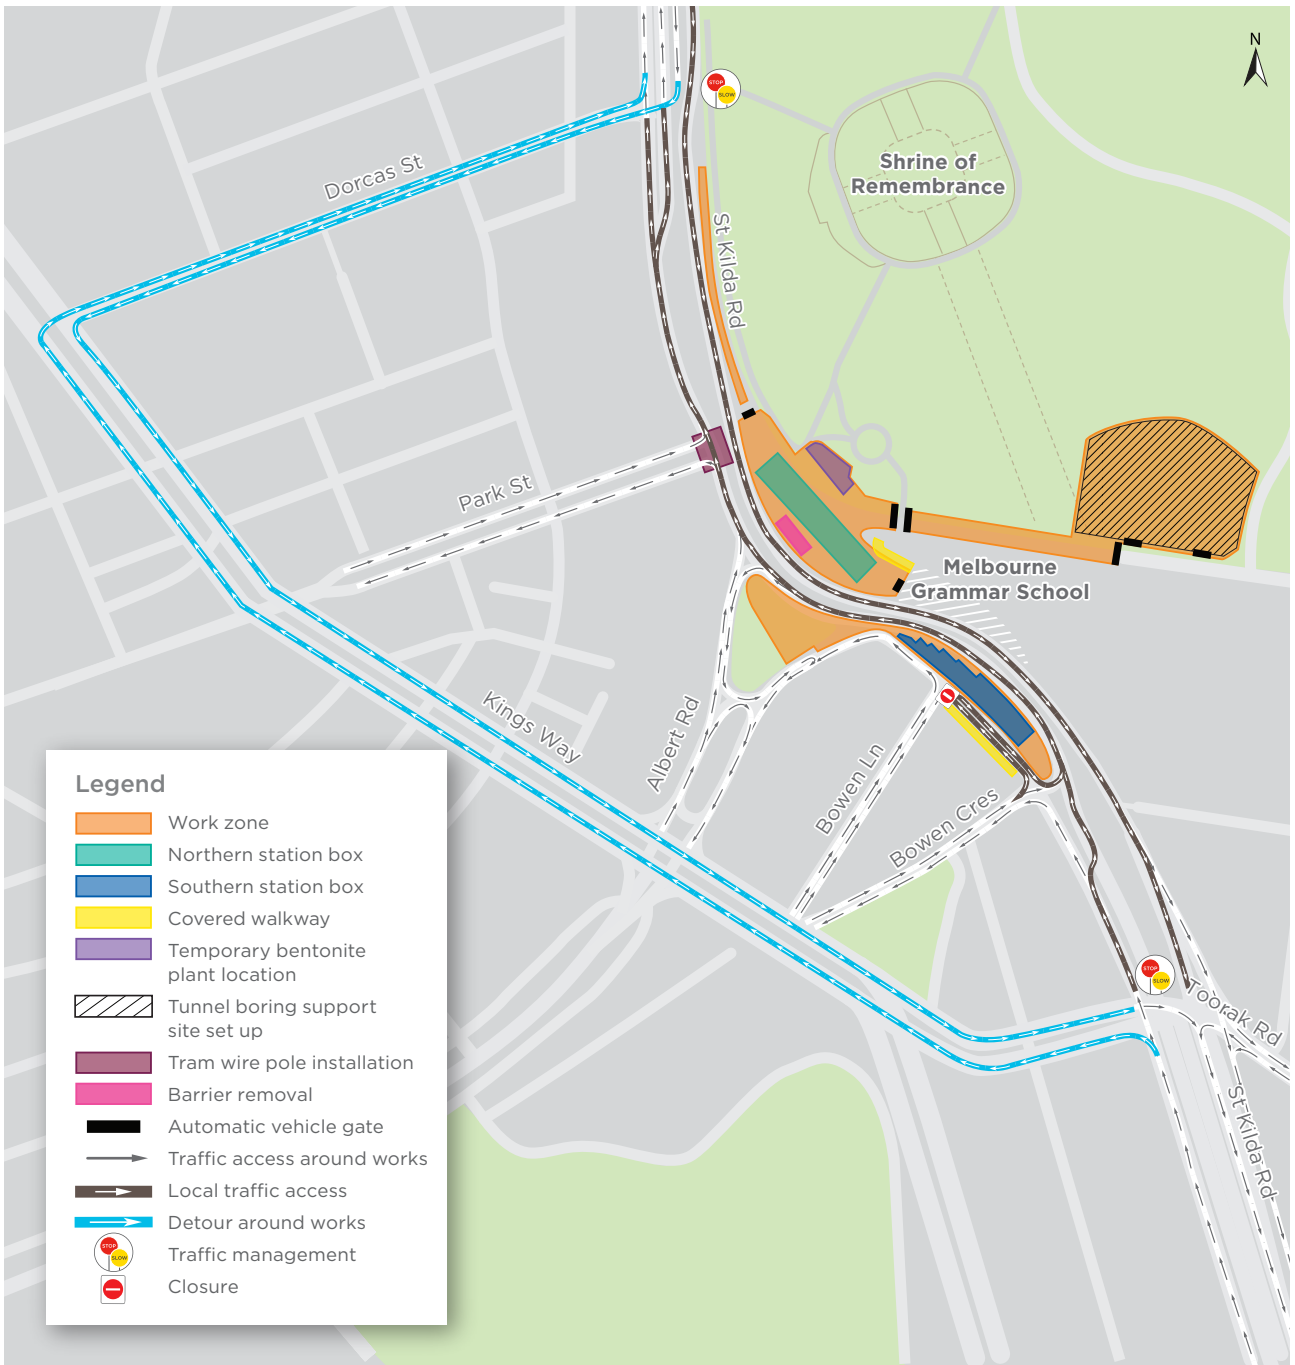

St Kilda Road

Monday 25 March, 7pm to Tuesday

26 March, 5am

- As notified in the March construction update, works will be undertaken to remove traffic barriers and install a temporary site gate at the northern end of north box
- Linemarking will also take place on St Kilda Road during these times
- These works are expected to generate low to medium levels of noise.
