

## WORKS NOTIFICATION

### DRAIN INVESTIGATION – NIGHT WORKS AND ROAD CLOSURE YARRA ST, SOUTH YARRA

**WEDNESDAY 1 TO FRIDAY 3 MAY 2019**

As part of the Metro Tunnel works in South Yarra, drain investigations will be carried out overnight on Yarra Street. These investigations will inform the drainage design for the Metro Tunnel entrance.

#### What we are doing

Drain investigations will be undertaken at night and will include;

- Investigation of the Yarra Street drain with CCTV equipment
- Removal and reinstatement of drain pit lids using hand-tools
- The use of a generator to power directional lighting.

#### When

- Wednesday, 1 to Friday, 3 May
- 8pm to 5am.

Drain investigations are required to be carried out at night, to ensure the safety of our workers and the community, and to minimise impacts to road traffic.

#### What to be aware of

##### Noise

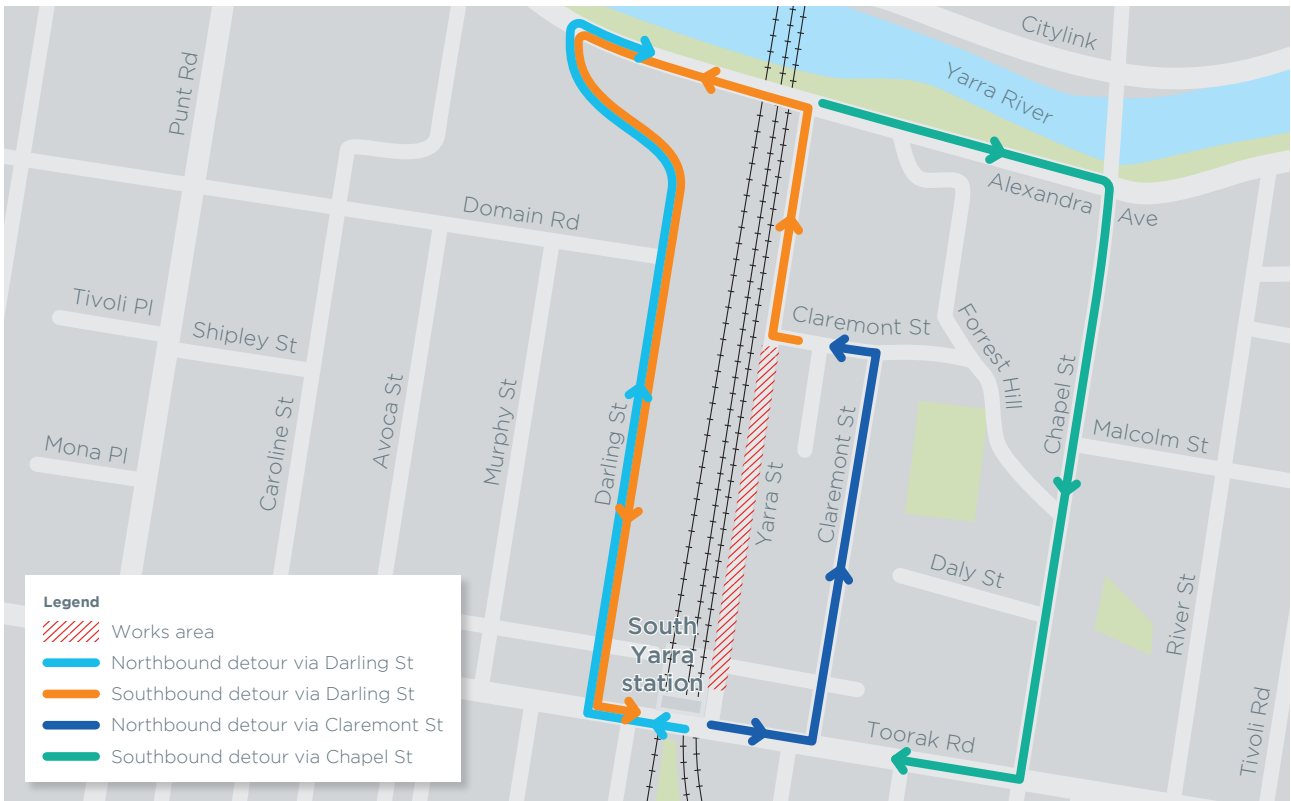

- We expect that these works will generate low level noise.

##### Road closure

- Yarra Street will be closed to all traffic between 8pm and 5am
- Detours will be in place during this time (see map overleaf).

##### Light

- These works will be completed under directional lighting for worker safety
- Every effort will be made to direct all lighting away from homes.
