

WORKS NOTIFICATION

SERVICE INVESTIGATIONS – PARTIAL ROAD CLOSURES PALFREYMAN STREET & SURREY ROAD, SOUTH YARRA **WEDNESDAY 17 TO WEDNESDAY 24 APRIL**

As part of the Metro Tunnel works to construct the eastern tunnel entrance, we will be carrying out service investigations in South Yarra.

What we are doing

Service investigation works will be undertaken during normal construction hours and will include:

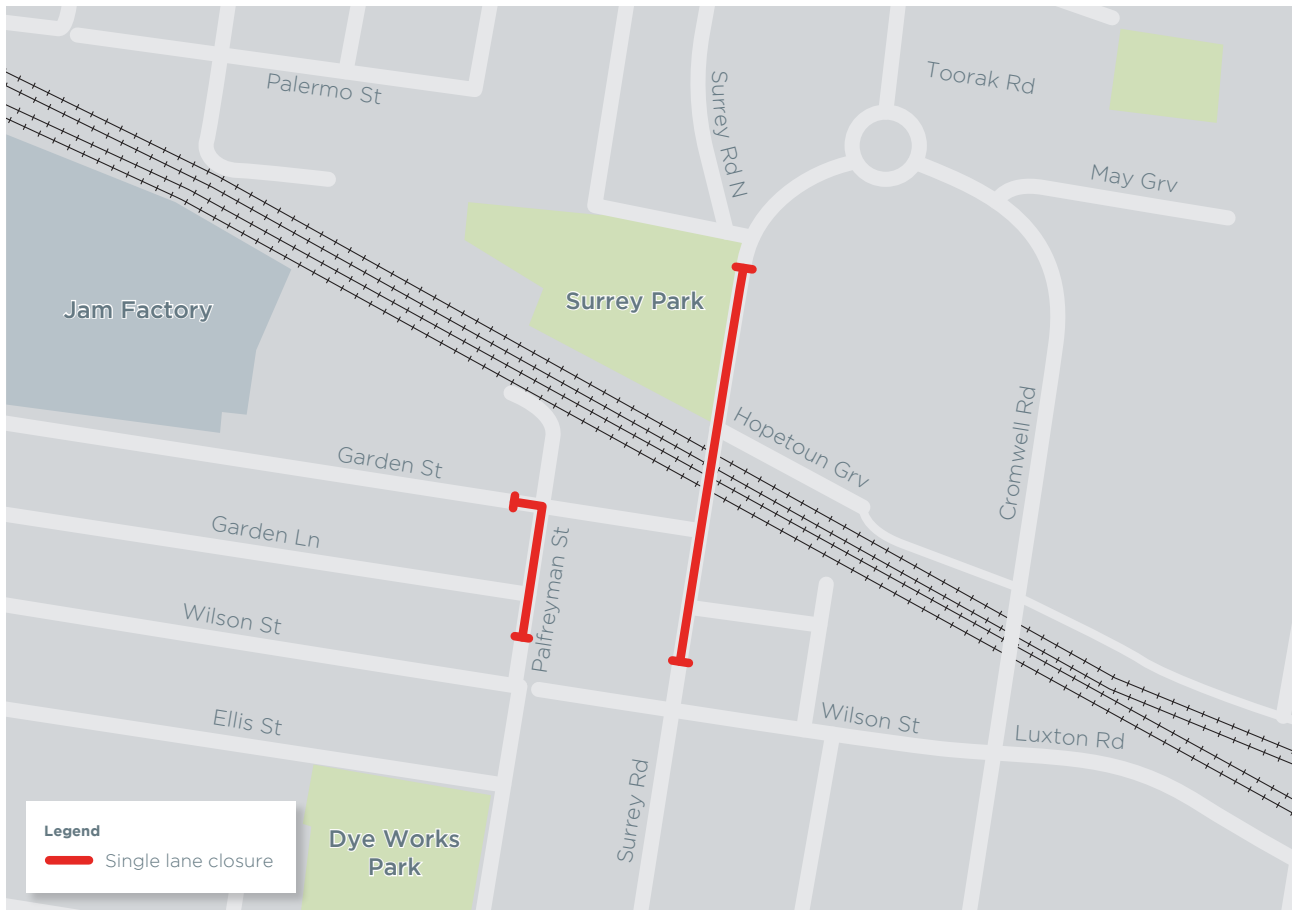

- Locating the gas, water, electricity and communications services that sit under the roads using a non-destructive digging (NDD) truck
- Cutting the road surface at Palfreyman Street and Surrey Road to expose underground services using a saw cutter
- Re- asphaltting the road surfaces once all service investigations are complete
- Using pressurised water to break up soil and vacuum the soil to expose services located underground without damaging them.

When

- Wednesday, 17 to Wednesday, 24 April
- 7am to 6pm.

What to be aware of

- One lane of Palfreyman Street and Surrey Road will be closed (see map overleaf).
- Vehicle access will be maintained via traffic management during this time.
