

## WORKS NOTIFICATION

### TRAFFIC CHANGES SUNSHINE ROAD, WEST FOOTSCRAY **23 SEPTEMBER – 15 NOVEMBER 2019**

Major construction is continuing along the Sunbury rail corridor, between the Maribyrnong River and Tottenham station, in preparation for the Metro Tunnel.

To enable the installation of essential communications, signalling and power cabling in the rail corridor between Tottenham and West Footscray stations, temporary lane closures will be in place along sections of Sunshine Road. Lane closures are required to safely allow construction vehicles to lift materials into the rail corridor.

#### What we are doing

##### **Sunshine Road lane closures - Stage one 23 September – 25 October 2019**

- Traffic will be reduced to one lane in each direction along Sunshine Road, between Roberts and Stradbroke streets. One lane eastbound will be closed between Bizana and Roberts streets
- Vehicle access to Sunshine Road from Derrimut and Currajong streets will be restricted during this time, with local detours in place. Access will also be restricted from Sunshine Road into these local streets.

##### **Sunshine Road lane closures – Stage two 26 October – 15 November 2019**

- Traffic will be reduced to one lane in each direction along Sunshine Road, between Bizana and Roberts streets
- Vehicle access to Sunshine Road from Cala and McArthur streets will be restricted during this time, with local detours in place. Access will also be restricted from Sunshine Road into these local streets.

#### What to be aware of

- There will be changed traffic conditions in the area including reduced speed limits, safety barriers and signage to direct vehicles
- Traffic controllers will be in place to assist vehicle, pedestrian and cyclist movements around the area safely. Please follow the direction of traffic controllers at all times
- Increased travel times are expected throughout the area. Road users are advised to allow additional travel time or seek alternative routes.
