

WORKS NOTIFICATION

PILING - LITTLE LA TROBE STREET SITE OCTOBER - EARLY 2020

Further to the piling works notification distributed in July this year, piling will commence at the Little La Trobe Street site on Wednesday 23 October 2019.

What we are doing

- Delivering plant and equipment to the Little La Trobe Street site, including an overnight delivery of a piling rig and crane
- Preparing the site for piling, including assembly of a piling rig and crane
- Drilling holes into the ground and inserting steel cages using a piling rig and crane
- Excavating and removing materials using excavators and trucks
- Pouring concrete to form piles using concrete trucks
- Pile cutting and installing a capping beam.

When

Delivery of piling rig and crane

- 1am – 5am, Tuesday 22 October.

Piling

- 7am – 6pm, Monday to Saturdays, ongoing.

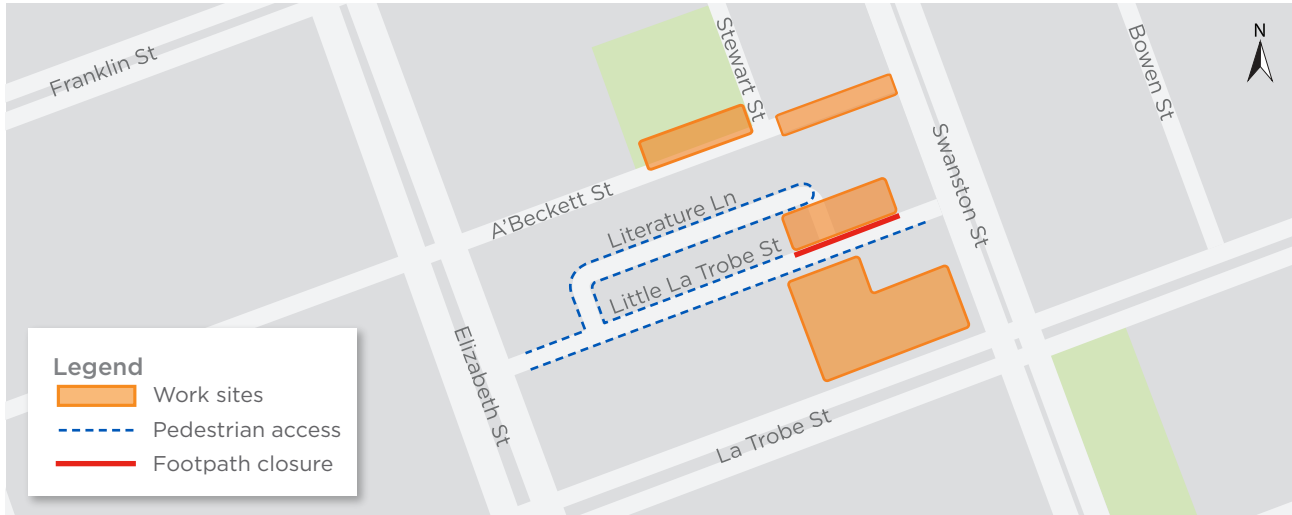

Concrete pours

- 6pm – 10pm, Monday to Fridays (as required).

What to be aware of

- Some plant and material deliveries need to take place outside of normal hours to minimise disruption to traffic.
- Little La Trobe Street will be temporarily closed to motorists travelling from Swanston Street from 1am to 5am Tuesday 22 October 2019, during piling rig and crane delivery. Local access will be maintained via Elizabeth Street
- There will be high levels of noise during piling, ground breaking and excavation activities
- There will be an increase of truck movements using the new loading bay on Little La Trobe Street
- Traffic management will be in place during works to safely guide pedestrians, cyclists, and motorists around the work area
- Access to businesses and residential buildings will be maintained at all times
- Upon completion of piling, plunge column and shaft excavation activities will commence at the Little La Trobe Street site. More information will be provided closer to the date
- For more information on piling, please refer to the Piling Works Fact Sheet – State Library notification at metro.tunnel.vic.gov.au
