

WORKS NOTIFICATION

GROUND INVESTIGATION WORKS PEPPERCORN LAWN

9-13 DECEMBER 2019

Investigations are continuing in Domain to assess ground and environmental conditions.

These investigations will build on previous work to finalise design and construction methodology for the twin nine-kilometre tunnels. It is important to understand the ground conditions and the services before tunnelling commences.

What we are doing

- Installation of temporary site fencing
- Drilling and removing a cylinder of material from the ground to determine the soil conditions
- Demobilising equipment and reinstatement of area.

What to be aware of

- There will be pedestrian detours in place during these works (See map)
- Access along Boathouse Drive will be maintained at all times, however there may be delays as trucks enter the site
- Please follow instructions from traffic controllers when moving around this area.
