

WORKS NOTIFICATION

OUT OF HOURS SERVICE UPGRADES RAIL CORRIDOR, CAULFIELD STATION **TUESDAY 25 FEBRUARY TO TUESDAY 3 MARCH**

As part of the Metro Tunnel works to construct the eastern tunnel entrance in South Yarra, we will be upgrading infrastructure including installing new cable along the rail corridor near Caulfield station.

What we are doing

- Trenching and excavation works, to install new signalling infrastructure for future trains using the Metro Tunnel
- Installing new cable conduit which will hold cables that will power the trains
- Pouring concrete to secure the new rail infrastructure in place
- These works will involve a small work crew with an excavator, elevated work platform, drill and hand tools
- Non-destructive digging (NDD) to locate and expose underground services and cables at Caulfield station
- NDD uses pressurised water to break up and vacuum soil to expose assets and services underground without damaging them.

When

Non-destructive digging

- Tuesday 25 to Thursday 27 February
- 7am to 6pm.

Installation of new infrastructure

- 24/7 works after the last passenger train service on Friday 28 February to before the first passenger service on Tuesday 3 March.

What to be aware of

- Additional truck movements will be required around the clock, as materials are delivered from our rail access point at the carpark near Malvern station to the work site near Caulfield station
- These works are expected to generate medium levels of noise with some periods of high level of noise
- At night these works will be completed under directional lighting to ensure the safety of our workers. Every effort will be made to direct these lights away from homes
- There will be traffic management in place along Normanby Road while we complete 24/7 works in the rail corridor. Some parking will also be temporarily removed near Caulfield station. Access to nearby businesses and residential properties will be maintained
- Buses will be replacing trains from Friday 28 February to Sunday 1 March. Please note works from Monday 2 to Tuesday 3 March will not impact train services. Visit www.ptv.vic.gov.au for more information.
