

Works Notification

Extended construction works schedule

Arthur Street, South Yarra

Thursday 17 to Friday 25 June 2021

Further to the June construction update, works to install underground services at Arthur Street pocket park will be extended until Friday 25 June 2021 due to wet weather.

What we are doing

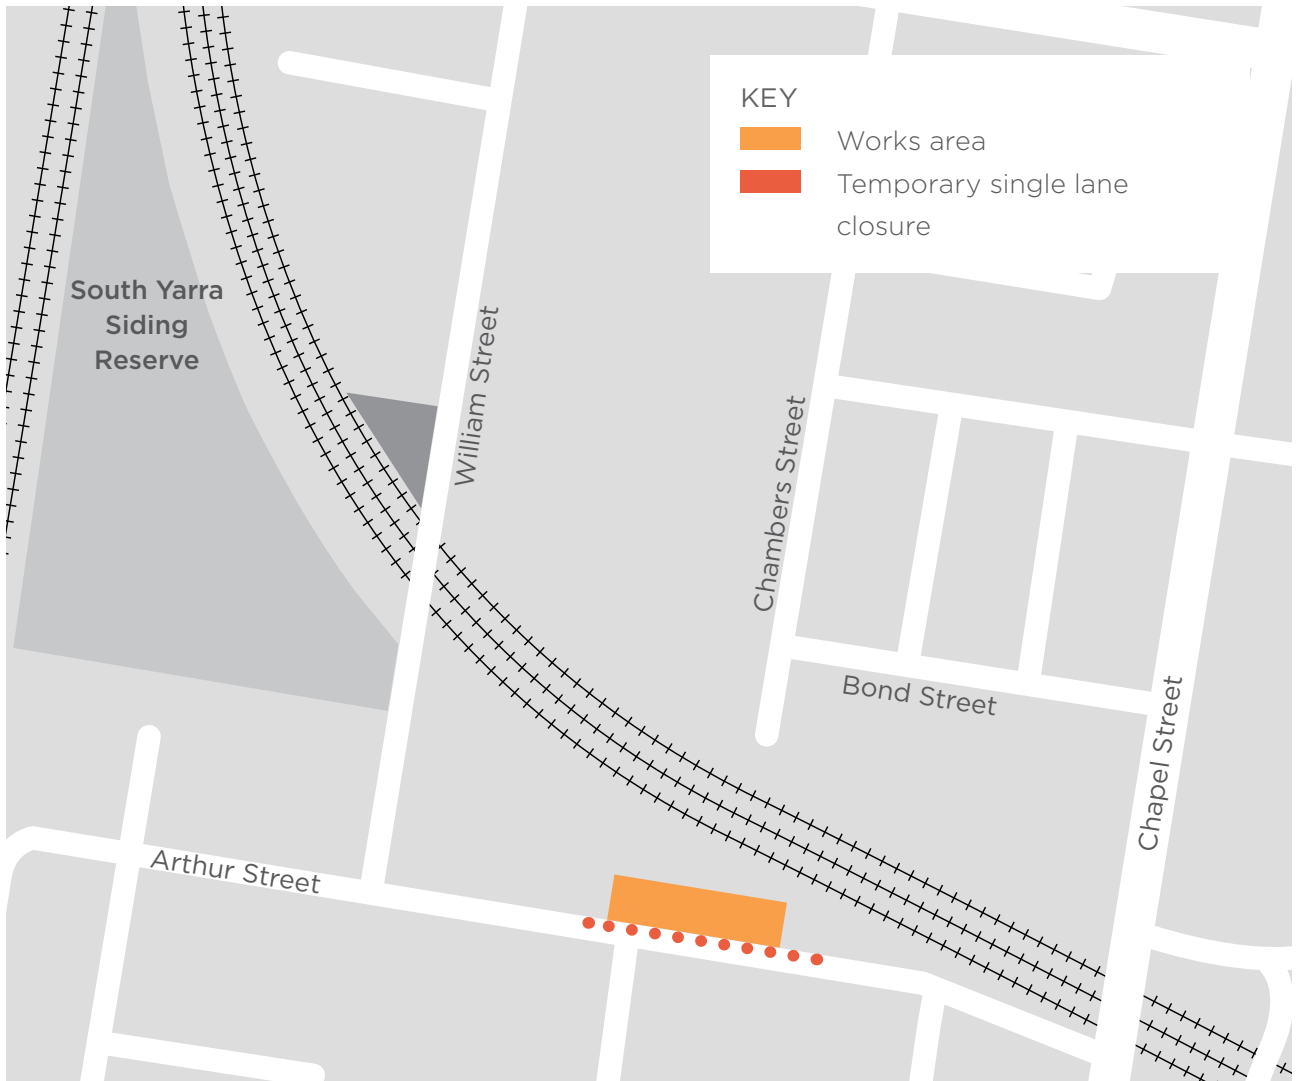

- Due to the challenging wet weather and to ensure works are undertaken safely, works to install underground cables at Arthur Street pocket park are required to be extended until Friday 25 June during normal construction hours
- These works will involve a horizontal directional drilling machine to drill ground using pressurised water and a non-destructive digging truck to vacuum excess soil efficiently and effectively
- Once the cables are installed, works to reinstate the works area will take place. Further information about the reinstatement works will be provided closer to the date.

When

- 7am to 6pm, Monday to Friday.

What you should be aware of

- There will be a temporary single lane closure along Arthur Street while we carry out underground service installation and reinstatement works at the Arthur Street pocket park
- Traffic management will be present to assist with vehicle movements during this time. Bidirectional traffic on Arthur Street will be maintained under traffic control during the works but may result in minor delays when travelling.
- Works are expected to generate medium levels of noise with some high-level peaks.

Health and safety

Metro Tunnel works are progressing safely under the current circuit breaker coronavirus (COVID-19) restrictions in Victoria.

Construction is an authorised industry and COVIDsafe Plans are in place on all our project sites.

The health and safety of our workforce and community is our top priority.

Workers on all of Victoria's Big Build sites are currently required to wear face masks unless they meet any of the criteria for exception - such as a medical condition or to meet Occupational Health and Safety guidelines.

Physical distancing measures are in place, as well as increased hygiene practices.

For more information and advice about the coronavirus (COVID-19), please visit **coronavirus.vic.gov.au**.
