WORKS NOTIFICATION

TOWN HALL STATION CONSTRUCTION UPDATE
18 NOVEMBER TO 21 DECEMBER 2018

Major construction on the Metro Tunnel is continuing at the new Town Hall Station site at the southern end of Swanston Street in the CBD.

**Nicholas Building reinstatement works**
Reinstatement works on the Nicholas Building will take place within the Flinders Quarter site. Works include scabbling (surface preparation), placing render and painting on the exterior of the Nicholas Building.

**When**

**Day works**
- Sunday 18 November to Friday 21 December
- 7am – 6pm, Monday to Fridays
- 7am – 1pm, Saturdays.

**Night works**
- 18 November to 21 December 6pm – 7am (Sunday to Thursday nights only).

**What to be aware of**
- Noisier activities such as scabbling will occur prior to 8pm. This activity is expected to generate medium to high levels of noise.
- Placing of render and painting works carried out after 8pm will involve the use of hand tools and will generate low to medium levels of noise.

All reasonable efforts will be made to complete the works ahead of schedule, subject to weather and ground conditions.

**Flinders Street and Flinders Lane water main works**
Further to our notification issued on 17 October, works will now take place to cut services to redundant water mains on Swanston, Flinders streets and Flinders Lane. Activities include excavating a pit, cut and capping of the existing water main and reinstating the area.

**When**

**Flinders Street (near the corner of Swanston Street)**
- 7am – 5pm, Sunday 25 November.

**Flinders Lane (east of Swanston Street)**
- 8am - 5pm, Sunday 2 December.

**What to be aware of**
- A single eastbound lane closure on Flinders Street, between Degraves and Swanston streets, will be required.
- A closure of Flinders Lane between Russell Street and Swanston Street will be required.
- Traffic management will be in place to safely direct traffic and pedestrians around the work area.
- City West Water will notify properties separately of any disruptions to services.
- Access to private properties and businesses will be maintained at all times.
Swanston Street water main night works
Out of hours water main works will occur between Young and Jackson Hotel and the Nicholas Building.

When
• 6pm - 7am, Sunday 25 November to Friday 30 November.
All reasonable efforts will be made to complete the works ahead of schedule, subject to weather and ground conditions.

When
• These activities are expected to generate medium to high level of noise
• Traffic management will be in place to safely direct pedestrians around the work area
• Access to shops will be maintained at all times
• This activity is scheduled to take place at night to minimise disruption to pedestrians.

Swanston Street footpath night works
Footpath and kerb works adjacent to our Flinders Quarter site on Swanston Street between Young and Jackson Hotel and the Nicholas Building.

When
• 10pm to 6am, Monday 19 to Thursday 22 and Sunday 25 to Thursday 29 November (pending relevant approvals).

What to be aware of
• Works will include the use of some power tools with medium to high levels of noise expected
• Closure of a section of the footpath on Swanston Street, between Young and Jackson Hotel and the Nicholas Building, pedestrians will be diverted to the eastern footpath, local access will be maintained.

Night works City Square
Locating underground services on the corner of Collins Street and Swanston Street.

When
• 8pm - 6am, Monday 26 November.

What to be aware of
Works will include the use of a non-destructive digging (NDD) truck to locate underground services.
• This activity will generate medium levels of noise.

Extended working hours at City Square
Out of hours hoarding modification works will occur within the Flinders Lane loading bay.

When
• Monday 26 November to Saturday 1 December
• 6pm - 10pm, Monday to Friday
• 1pm - 6pm, Saturday.

What to be aware of
Works will include the use of a fork lift and some power tools. Low to medium levels of noise expected.

Federation Square ongoing night works
Night works will also be continuing at our Federation Square work site, works will include:
• Installing a footing for concrete barriers between the two westbound left-hand turning lanes
• Realigning the kerb and pedestrian crossover, including drainage modification works, on the south-east corner of the Swanston Street intersection
• Removing parts of the west shard (on the former Melbourne Visitor’s Centre) including glass and support beams.

When
• All works will be carried out from 10pm - 5am, Sunday to Thursday, until mid December
• Works will not occur on Friday and Saturday nights.

What to be aware of
Works will include the use of an excavator, jackhammer, road saw and some power tools with medium to high levels of noise expected.
Some of this work will require road closures including:
• The westbound lanes on Flinders Street between Russell Street and Swanston Street. Detour via Russell Street, Collins Street and Queen Street 10pm to 5am Tuesday 27 to Thursday 29 November and Sunday 2 to Thursday 6 December.
• Flinders Street left hand turning lane onto St Kilda Road. Detour via Russell Street, Collins Street, Queen Street, Flinders Street, and Kings Way to St Kilda Road 10pm to 5am Monday 19 to Thursday 22 and Sunday 25 to Monday 26 November.
• Traffic management will be in place to safely guide pedestrians, cyclists, and motorists around the work areas.
• Access to businesses and residential buildings will be maintained at all times.

From Tuesday 20 to Thursday 22 November and Monday 26 to Thursday 29 November Yarra Trams will be conducting pole removal and installation night work on Swanston Street and Flinders Street including some road and footpath works.
