WORKS NOTIFICATION

GROUND INVESTIGATION WORKS AND TEMPORARY PARKING REMOVAL

**WEDNESDAY 15 TO SATURDAY 18 MAY
AND MONDAY 20 MAY 2019**

As part of the Metro Tunnel works to construct the tunnel entrance in South Yarra, we will be undertaking service investigations on Palfreyman Street and Railway Place to help inform detailed planning and design.

What we are doing

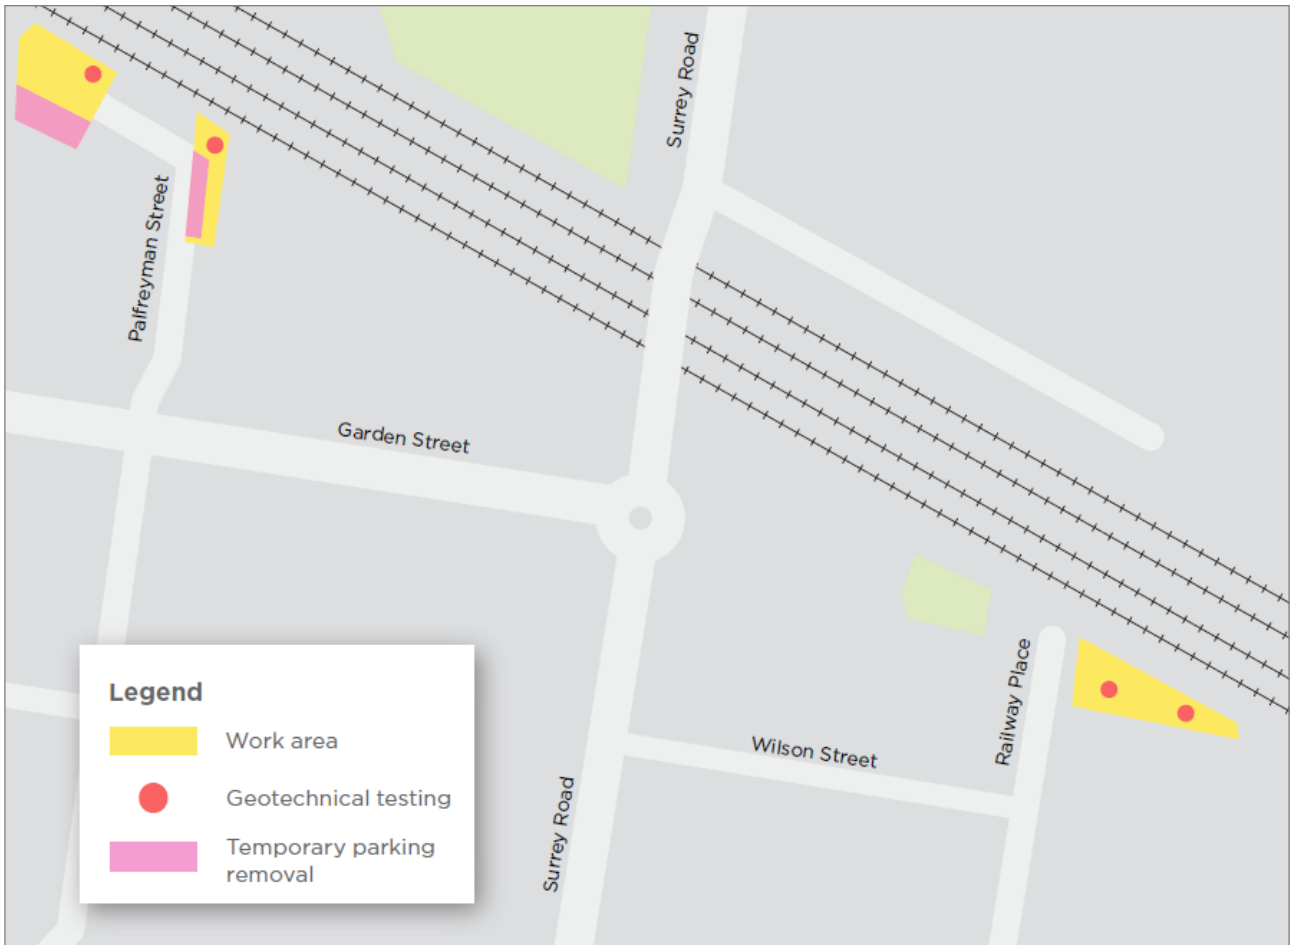

- Installation of temporary rail access pads at Palfreyman Street and Railway Place
- Geotechnical testing involving a drill rig
- A small hole will be drilled into the ground, providing the project with a sample of the existing ground conditions. This will help inform our detailed design, going forward.

When

- Wednesday, 15 to Saturday, 18 May and Monday, 20 May
- 7am to 6pm Monday to Friday
- 7am to 1pm Saturday.

What to be aware of

- The works are expected to generate periods of medium level noise with periods of high level noise as we bore into the ground
- Parking on Palfreyman Street will temporarily be removed.
