

WORKS NOTIFICATION

TEMPORARY SHAFT CONSTRUCTION, LA TROBE STREET SITE JULY 2019

Temporary shaft excavation and piling works are continuing at the La Trobe Street site. To prepare for tunnelling, extended works are required between 6pm and 7am Monday to Fridays and 1pm to 6pm Saturdays until late-July 2019.

What we are doing

Works to construct the temporary shaft and to support piling include:

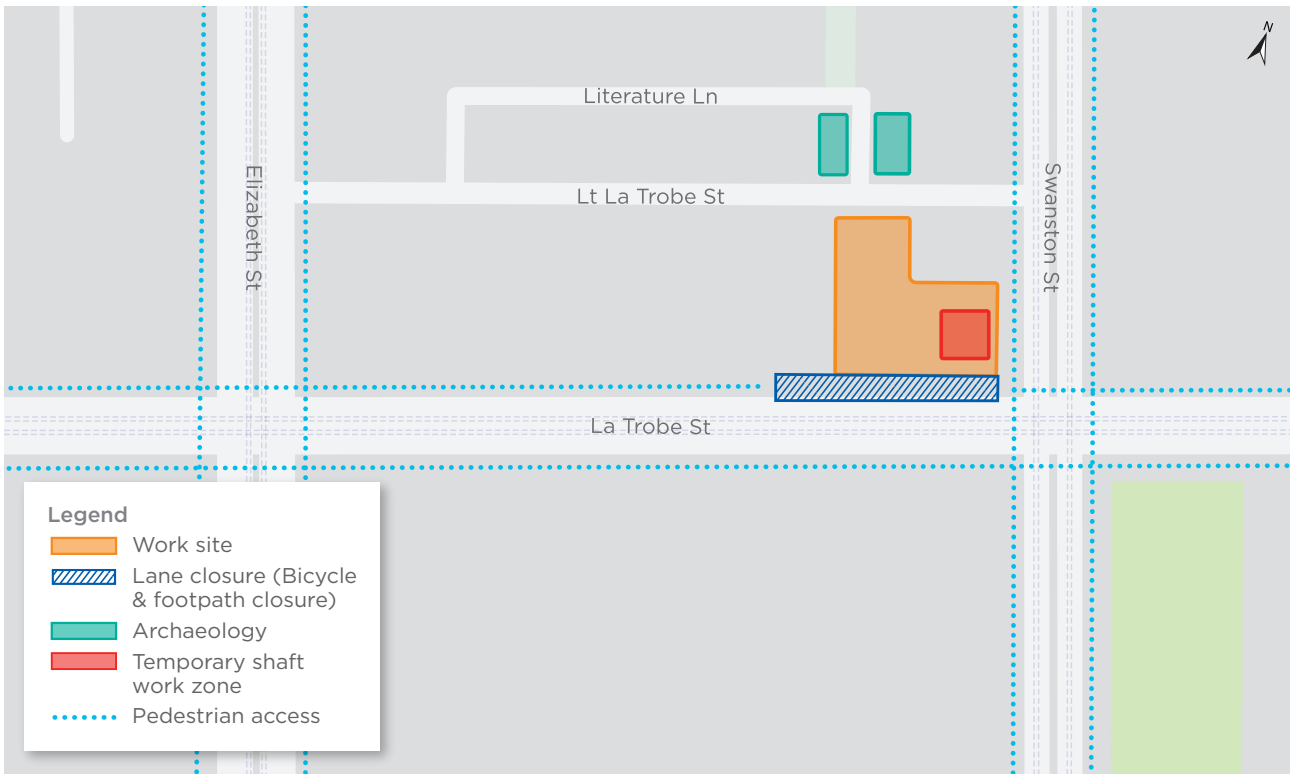

- Excavation within the shaft using an excavator with hammer
- Coring using core drills and an elevated work platform
- Installation of brackets using drills
- Removing spoil using a crane
- Moving spoil using an excavator and trucks
- Oversized deliveries of plant and equipment including a roadheader using trucks.

What to be aware of

- Works will generate low levels of noise
- Oversized deliveries will take place between 1am and 7am
- Traffic management will be in place during deliveries
- Local access will be maintained during this time.

When

- 6pm to 7am, Monday to Fridays
- 1pm to 6pm, Saturdays

Indicative only
