

## WORKS NOTIFICATION

### HALLMARK ACCESS CHANGES

#### **SUNDAY 13 OCTOBER TO SUNDAY 27 OCTOBER**

As part of Metro Tunnel Project works, St Kilda Road will be realigned to allow the next stage of constructing the new Anzac Station under St Kilda Road.

#### **What we are doing**

During the realignment, works will be carried out 24/7 and buses will replace trams on St Kilda Road between the Shrine of Remembrance (stop 19) and Commercial Road (stop 25). St Kilda Road will remain open to vehicle and bicycle traffic.

To enable the works on St Kilda Road to be carried out safely there will be a number of traffic changes in the precinct that will impact access to the Hallmark carpark entry:

#### **Changes to access:**

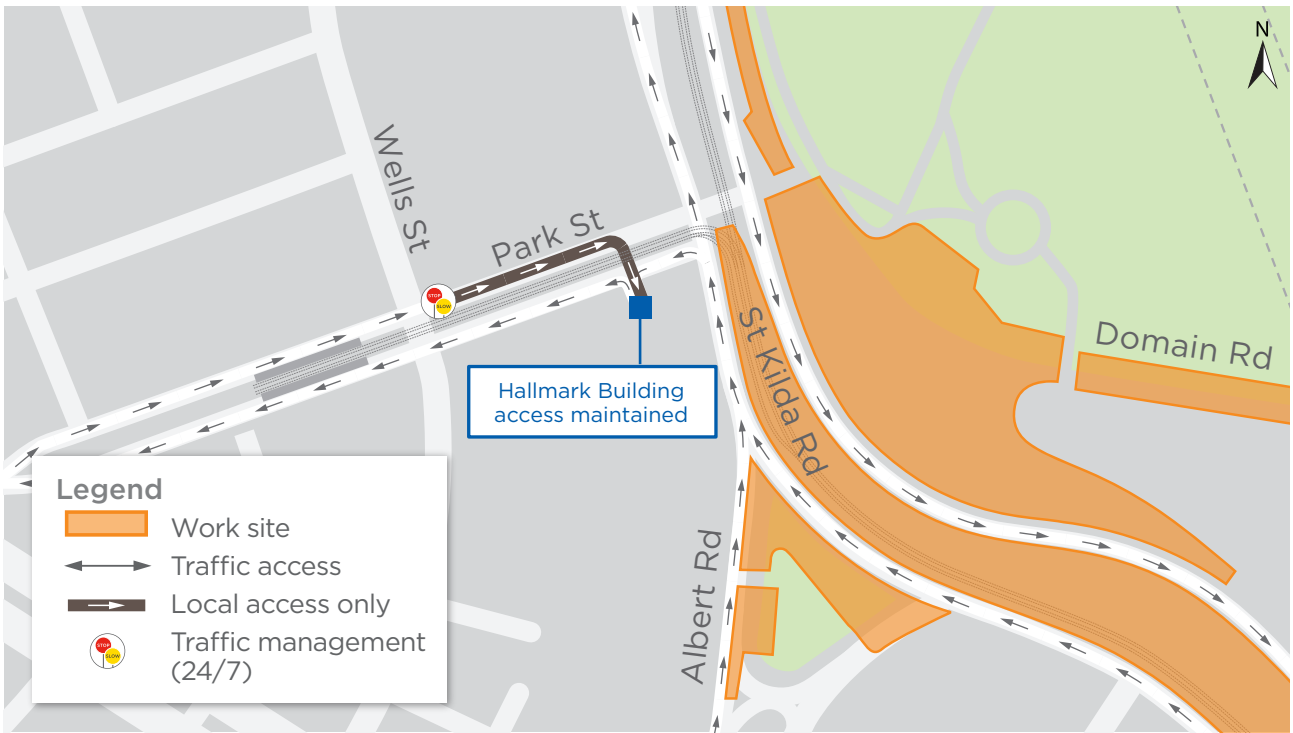

- The October Construction notification advised that Albert Road North would be closed at St Kilda Road. Please note that Albert Road North will now remain open to traffic exiting onto St Kilda Road
- Park Street access to St Kilda Road will be closed at Wells Street with traffic diverted along Wells Street
- Access beyond this diversion will only be available to local traffic, including residents of the Hallmark
- The left turn from St Kilda Road into Park Street will remain open
- The right turn from Park Street into the Hallmark driveway will be temporarily opened while trams are not operating.

#### **When**

- 8:30pm Sunday 13 October to 7am Sunday 27 October

#### **What to be aware of**

- Exit from the Hallmark driveway will remain as is via left turn onto Park Street
- Traffic controllers will be in place at the intersection of Park Street and Wells Street to prevent general traffic travelling beyond Wells Street
- Right turn access for Hallmark to their driveway will be facilitated under traffic management
- There may be some delays to allow time for traffic controllers to identify your vehicle and allow entry. Dashboard displays will be available at the Hallmark foyer to allow easier identification by traffic controllers
- If you have lost or forgotten your dashboard display you can still enter the Hallmark driveway by identifying yourself to the traffic controllers
- With the Wells Street detour in place there may be some delays on Park Street. The project team recommends continuing to access the Hallmark driveway via Albert Road North, St Kilda Road, Park Street.

Indicative only
