Works Notification

Out of Hours Drainage Works
Yarra Street, South Yarra

MONDAY 31 AUGUST TO FRIDAY 4 SEPTEMBER 2020

We wish to advise the out of hours works to connect the previously installed drainage pipes to the stormwater system have been rescheduled to start from 31 August 2020 while the trains are not running. This notification provides a reminder of works which will be undertaken along Yarra Street.

What we are doing
— A small work crew will use hand tools to connect the previously installed drainage pipes to the existing stormwater system near South Yarra station
— To connect the pipes, the lids on the existing drain pits will be removed and the new pipe will be connected using concrete
— A small truck will be located next to the works area, to store equipment.

What you should be aware of
— These works are expected to generate low levels of noise
— One lane of traffic will be intermittently closed on Yarra Street while we complete these works
— Traffic management will be in place and access will be maintained for local traffic during this time.

When
— Monday 31 August to Friday 4 September
— 8pm to 4am.
Health and safety

The Metro Tunnel Project is a critical state infrastructure project under Stage 4 restrictions, allowing work to continue with strict health and safety measures in place.

The health and safety of our workers and the community is our key priority and we have measures in place to protect the safety of our construction workforce, including temperature screening, additional protective equipment including masks, daily health screening of workers, enhanced cleaning, staggered shifts and break times, and physical distancing.

Our workforce numbers across Victoria’s Big Build have already been significantly reduced to support directions from the Chief Health Officer, and we are continuing to manage the number of staff and visitors attending our worksites.

Keeping you informed

To help support the Victorian Government’s stage 4 coronavirus (COVID-19) restrictions while still making sure people know what’s happening in their area, we’ve temporarily changed the way we’ll notify you about upcoming works.

We are using the following channels instead of hand delivering information into your letterbox at this time.

Please sign up to our email updates via the Metro Tunnel Project website (www.metrotunnel.vic.gov.au) so we can continue to keep you informed about works in your area.
