

Works Notification

Temporary partial closure of Edward Street Toorak

Thursday 5 August to Monday 9 August
Thursday 19 August to Monday 23 August

Further to the previously notified 24-hour rail works within the rail corridor between South Yarra and Caulfield stations, a partial closure of Edward Street will be required to ensure the activity in the area is undertaken safely.

What we are doing

- Installing underground signalling cable assets, conduits and a retaining wall within the rail corridor
- Delivering materials from our rail access point at Edward Street to the rail corridor
- Works require the use of a concrete pump, an excavator, a crane and crews with hand tools.

When

24-hour rail works

- 8pm Friday 6 August to 3am Monday 9 August
- 8pm Friday 20 August to 3am Monday 23 August.

Temporary parking removal on Edward Street

- 6pm Thursday 5 August to 7am Monday 9 August
- 6pm Thursday 19 August to 7am Monday 23 August.

What you should be aware of

- These works are expected to generate medium levels of noise with some high-level peaks. Where possible, higher impact works will be scheduled to take place during the day
- A temporary parking removal and road closure of Edward Street will be in place to ensure delivery activities to the rail access point are undertaken safely and efficiently. Additional truck movements will be required during this time
- Traffic management will be in place along Edward Street to facilitate local vehicles from entering and exiting the road. Local residential access will be maintained during this time
- Generator-powered lighting towers are required while we complete night works. Where possible, lights will be positioned to face away from residential properties and noise reduction mats will be placed around generators.

Health and safety

Works on the Metro Tunnel project are progressing with strict COVIDSafe plans in place.

The health and safety of our workforce and community remains our top priority.

For more information and advice about the coronavirus (COVID-19), please visit coronavirus.vic.gov.au.
