

WORKS UPDATE

OUT OF HOURS WORKS, LA TROBE STREET JULY 2019

Work to install transport and service infrastructure on La Trobe Street is required from 8pm Tuesday 9 July to 6am Wednesday 10 July, 2019.

What we are doing

- Saw-cutting
- Installation of a traffic induction loop and other service infrastructure below the road surface
- Investigation of stormwater services using a vacuum truck and CCTV.

What to be aware of

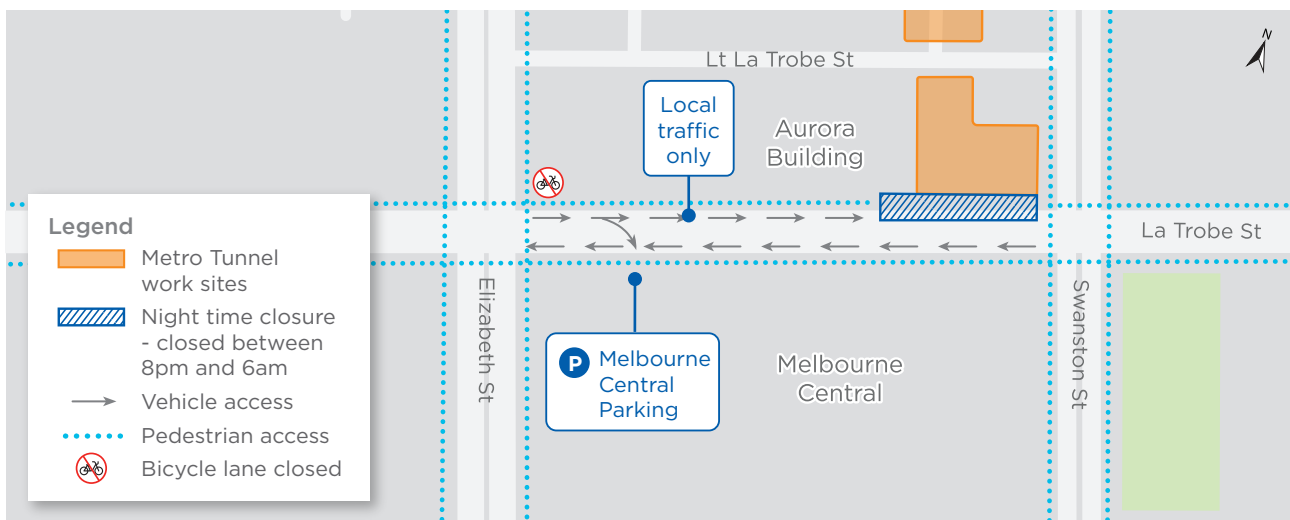

- A section of the eastbound traffic lane will be closed along La Trobe Street during these works. There will be no through access to Swanston Street from La Trobe Street during this time (refer to map)
- Works will generate medium-high levels of noise.

When

- **8pm Tuesday 9 July to 6am Wednesday 10 July, 2019**
