

WORKS NOTIFICATION

SHORT-TERM LANE CLOSURE, CONCRETE POUR IN SOUTHERN BOX.

MONDAY 5 AUGUST

Works in preparation for major construction of the Metro Tunnel Project and the new Anzac Station are continuing. The current phase of construction involves major works in the southern section of the station box.

What we are doing

Completing a concrete pour for the southern section of the Anzac Station roof slab.

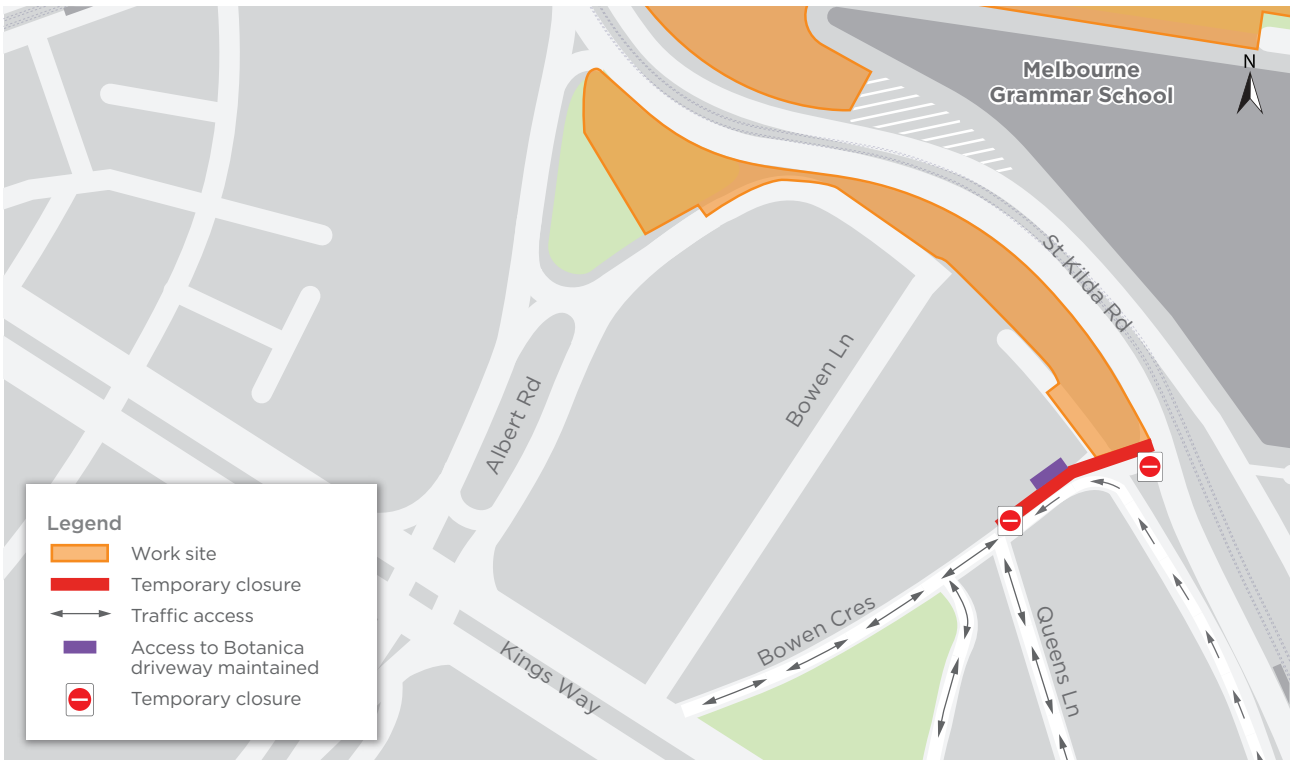

As these works require a lane closure along Bowen Crescent, they will be undertaken outside of peak hours to minimise disruption to local residents and businesses. Once a concrete pour starts it needs to be continuous, as a result the concrete pour may continue outside these hours. The project team will reopen the lane for peak hour traffic.

When

9am to 4pm, Monday 5 August

What to be aware of

- For the duration of the works, the east-bound lane of Bowen Crescent between Queens Lane and St Kilda Road will be closed to vehicle traffic.
- The left turn from Bowen Crescent to St Kilda Road will be closed during this time.
- Access to the Botanica driveway will be maintained. Traffic controllers will be in place to manage traffic.
- Ace Parking will still be accessible from Bowen Crescent.
- One disabled car park on Bowen Crescent will be closed during this time.
- Concrete trucks will stop at the kerb for concrete testing before being sent through to site.

Indicative only
