WORKS NOTIFICATION
STATE LIBRARY STATION
FEBRUARY 2020

Major construction is continuing in the northern end of Swanston Street at the site of the future State Library Station.

Construction snapshot
Construction works within the State Library Station precinct during February 2020 include:

• Construction of the underground station platform
• Construction of the shaft at the Franklin Street West site
• Piling works at the Little La Trobe Street and La Trobe Street sites
• Tower crane installation at the La Trobe Street site.

Further information on these works can be found overleaf or at metrotunnel.vic.gov.au.

When are we working?

Normal construction hours
7am to 6pm, Monday to Friday
7am to 1pm, Saturdays

Some activities may be required to continue slightly past these hours. All efforts will be made to complete activities as scheduled.

Out of hours
Some works are required to take place out of normal construction hours. The timing of these works are outlined in the construction information overleaf.

24 hours
24 hour works are sometimes required during peak construction activities. The timing of these works are outlined in the construction information overleaf.
Groundwater monitoring
Bouverie, Franklin, Victoria, and Therry streets
7am to 6pm, Monday to Fridays,
8pm to 5am, Monday to Fridays,
under lane closures, as required
• There will be intermittent testing of previously installed groundwater wells on Victoria, Franklin, Bouverie and Therry streets on the road and footpath
• This involves setting up small localised traffic controls on footpaths and overnight lane closures on Victoria, Therry and Bouverie streets
Traffic and transport impacts

- Road closures on La Trobe and Little La Trobe streets are required for the tower crane assembly in February and March. Additional information will be provided shortly.

Ongoing

- Intermittent partial closures of footpaths on Victoria, Bouverie and Therry streets to allow for groundwater monitoring
- Intermittent overnight lane closures on Victoria, Bouverie and Therry streets to allow for groundwater monitoring
- The eastern entrance to Literature Lane is closed to motorists and pedestrians
- The dedicated eastbound bicycle lane and northern footpath on La Trobe Street adjacent to the La Trobe Street site is closed (refer to map)
- Further information about the detour routes during these closures are available at metrotunnel.vic.gov.au.

Oversized deliveries

All sites 11pm to 7am, ongoing

- A piling rig will be demobilised from the Little La Trobe Street site. More information will be provided to directly impacted stakeholders closer to the time
- A mucking frame will be demobilised from the Franklin Street East site. More information will be provided to directly impacted stakeholders closer to the time
- In addition to regular deliveries to site, out of hours deliveries will occur intermittently throughout February, to minimise traffic disruptions and for the safety of the public and our workers
- Local access for residents and businesses will be maintained at all times
- Traffic management will be in place to safely guide pedestrians, cyclists and motorists around the work areas.

Traffic management will be in place to safely guide pedestrians, cyclists and motorists around the work areas.

Local access for residents and businesses will be maintained at all times

These works are expected to generate low to medium levels of noise.

### Business support

While the Metro Tunnel will be a significant boost for Melbourne and Victoria, construction activities can impact local businesses. In response to this, our Business Support Team assists businesses through the disruption and any permanent changes that will take place.

Please see information about local business **Flora Indian**.

We look forward to promoting more local businesses as the project progresses.

### More information
