

Works notification

Service investigations Arden Street, North Melbourne

From Monday 12 October to late 2020

Further to the September - October North Melbourne Construction Update, we wish to advise that additional service investigations will take place on Arden Street, North Melbourne.

What we are doing

- Service investigations will take place in Arden Street, between Laurens Street and Munster Terrace
- This involves saw cutting the road and footpath surface, using non-destructive digging (NDD) trucks to locate underground services and then reinstating the road and footpath surface and line marking.

What you should be aware of

- These activities are expected to generate periods of medium to loud noise
- Investigation works will be undertaken in small work areas and move progressively through the area shown on the map (overleaf). Works will start from Munster Terrace and travel west towards Laurens Street
- These works may include short-term impacts to traffic and cyclist lanes, footpaths and short-term closures of on-street parking spaces adjacent to the work area

- Traffic controllers will be in place to direct vehicles, cyclists and pedestrians around the work area
- Access to businesses will be maintained and traffic flow in both directions will be maintained at all times.

When

7am to 6pm, Monday to Friday,
and 7am to 1pm, Saturdays

Intermittently from Monday 12 October to late 2020.

Indicative only

Health and safety

Metro Tunnel Project works are progressing safely under the current Second Step restrictions in metropolitan Melbourne.

You may notice an increase of workers on Victoria's Big Build projects as restrictions on construction sites start to ease. Large-scale public infrastructure projects are critical and strict COVIDsafe Plans are in place on all project sites across Victoria.

The health and safety of our workforce and community remains our top priority. Workers on all of Victoria's Big Build sites are required to wear face masks unless they meet any of the criteria for exception – such as a medical condition for Occupational Health and Safety guidelines.

Physical distancing measures are in place as well as increased hygiene practices.

Keeping you informed

To help support the Victorian Government's Second Step coronavirus restrictions, we've temporarily changed the way we'll notify you about upcoming works, to make sure people still know what's happening in their area.

Please sign up to our email updates via the Metro Tunnel Project website metrotunnel.vic.gov.au so we can continue to keep you informed about works in your area.
